DEDICATION

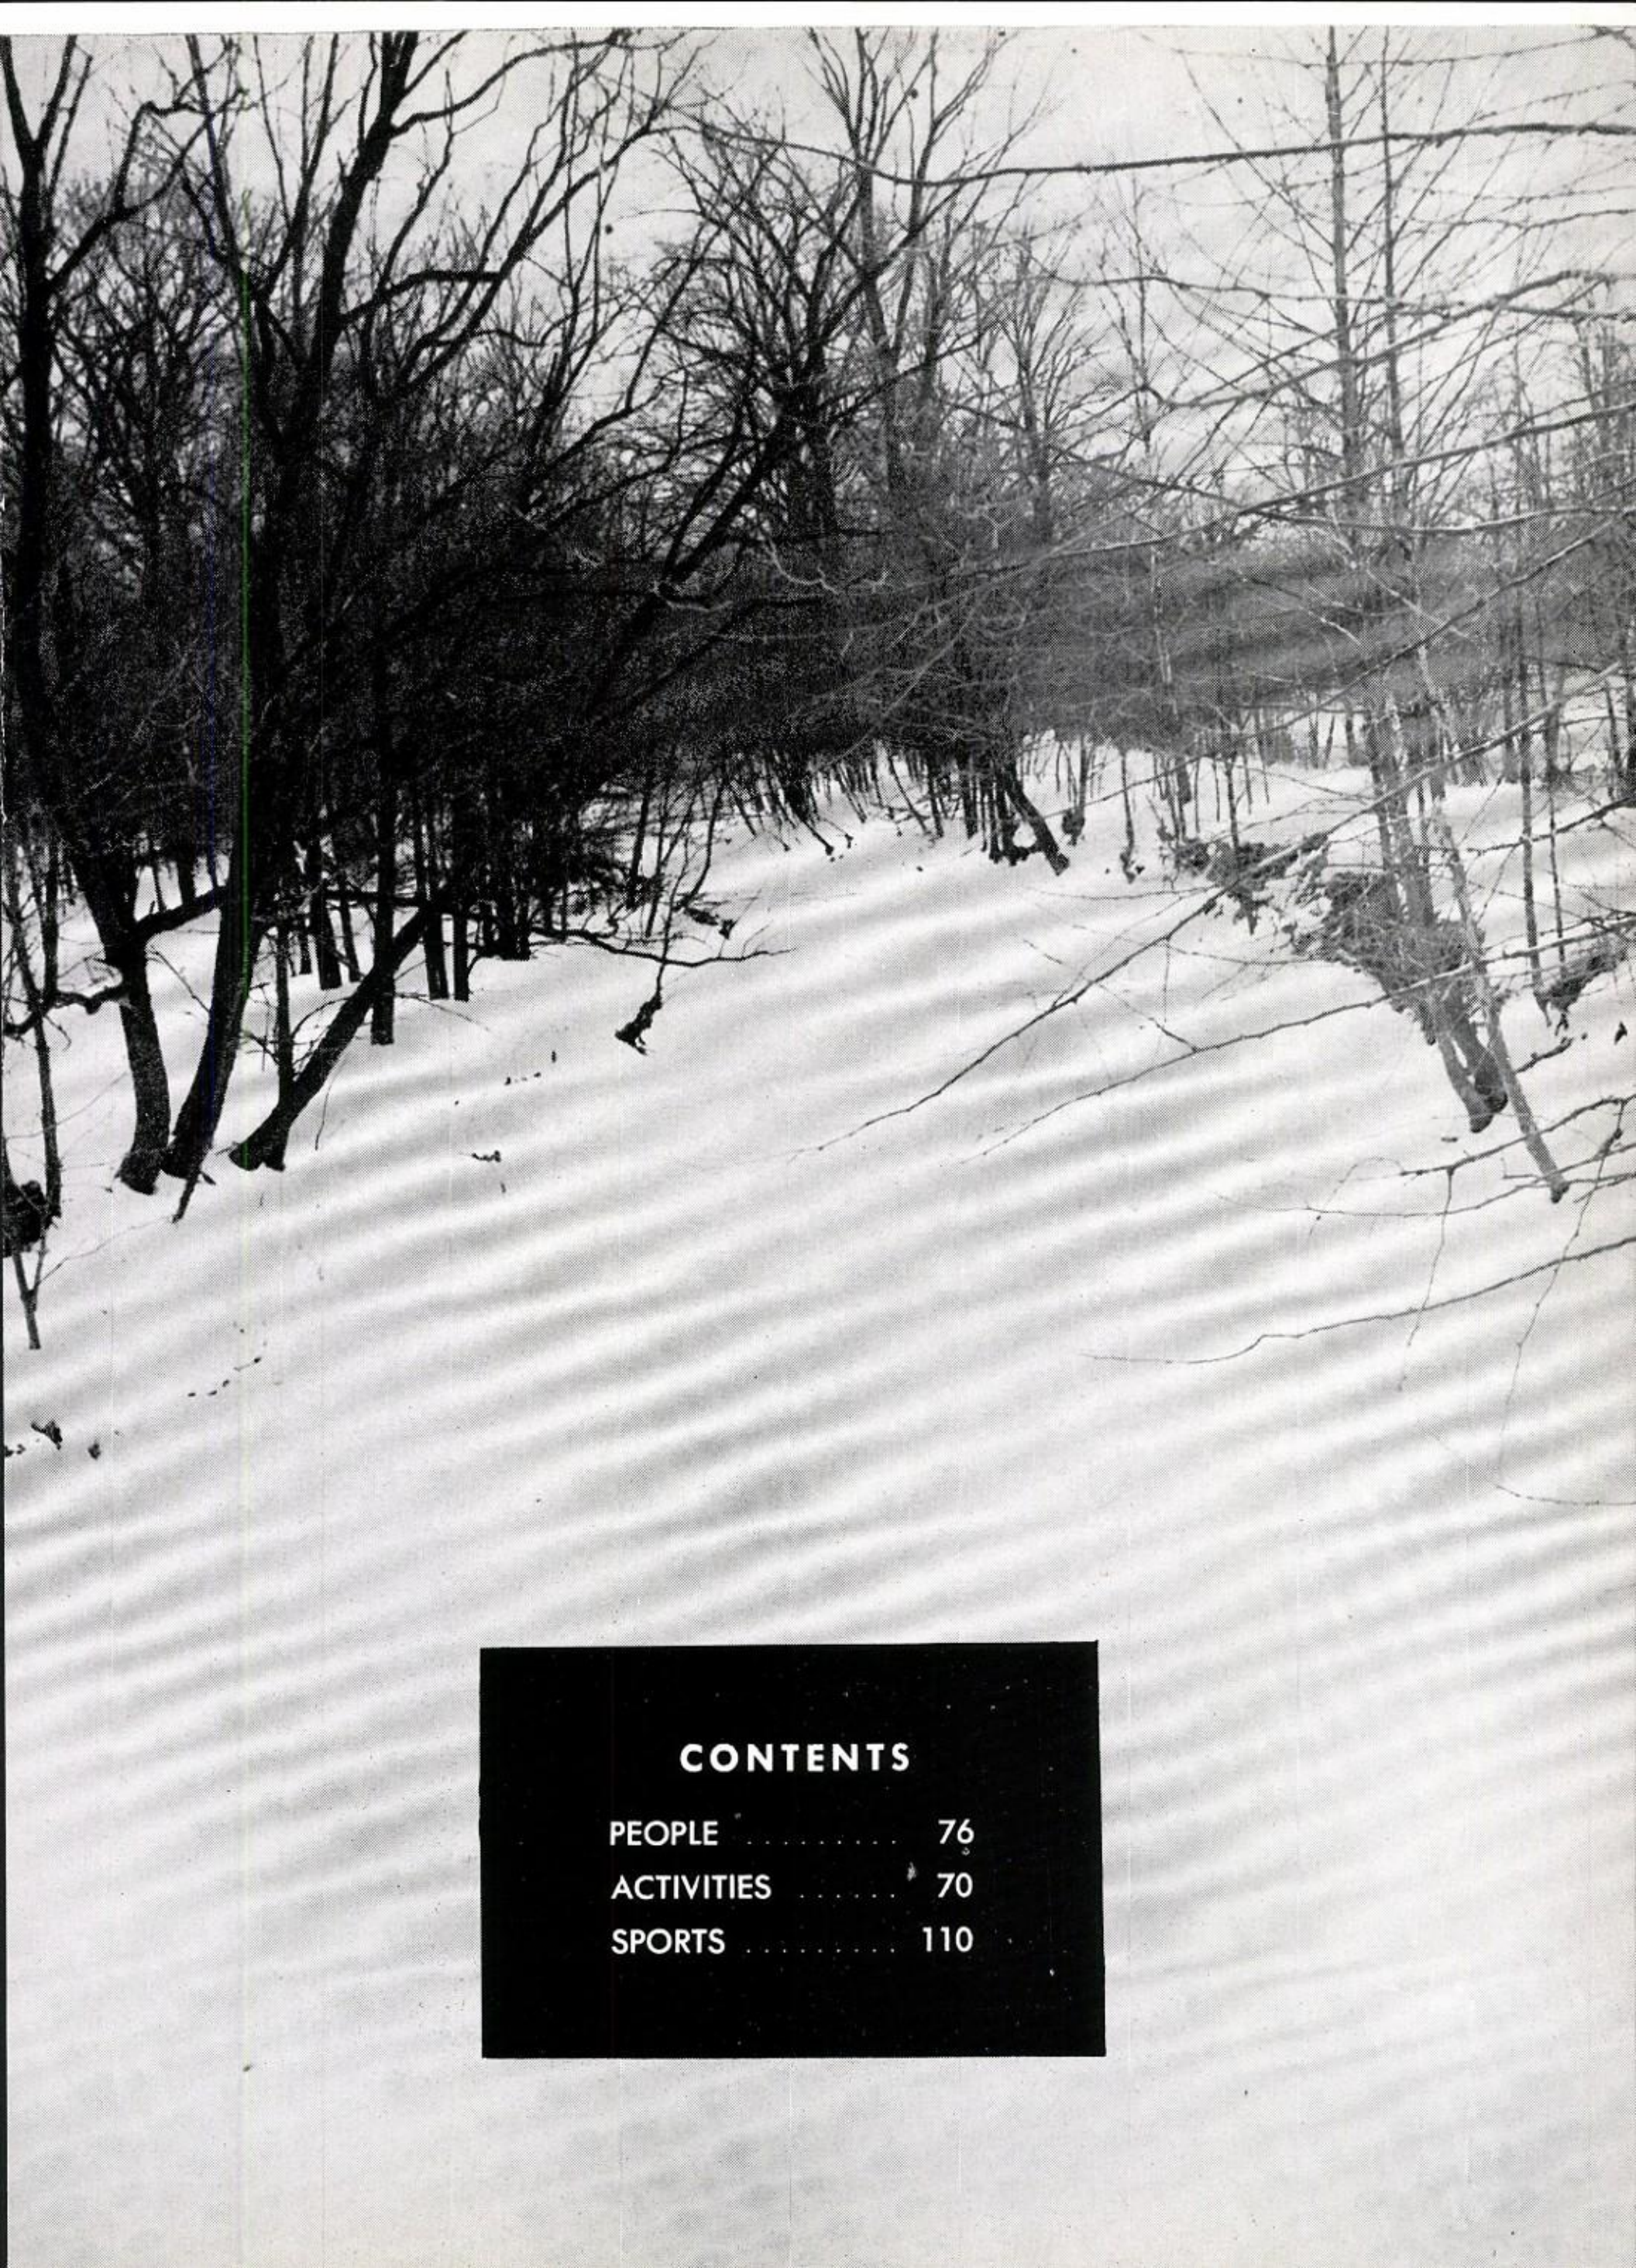

It is with gratitude and admiration that we, the Quilna Staff of 1960, dedicate this volume to Mr. C. G. Lappin.

Superintendent C. G. Lappin came to Shawnee as its first administrative head in the fall of 1926. Since that time, Shawnee has grown and developed at a pace that is almost unbelievable. From a meager faculty of 17 that first year, Shawnee now has 101 on its professional staff. Diplomas were awarded to 13 seniors in the class of '27; the class of '60 will number 164.

Mr. Lappin has presided at 34 graduation ceremonies during his tenure of office and 2,178 seniors have received his friendly handshake and congratulations.

These few facts are offered as a tribute to the service and administrative leadership that Superintendent Lappin has brought to Shawnee.

His character, vision, and superb judgment all combine to make Mr. Lappin a truly great personality. He has commanded and received the love and admiration of all those who have known him. His skill in coping with the problems of teachers and students, his deep understanding of the needs of Shawnee youth, and his ability to broaden and develop a program of educational opportunities for them attest the greatness of a man who has served a professional lifetime in this fine community.

*My country 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the Pilgrims pride,
From ev'ry mountain side
Let freedom ring.*

—Samuel Francis Smith

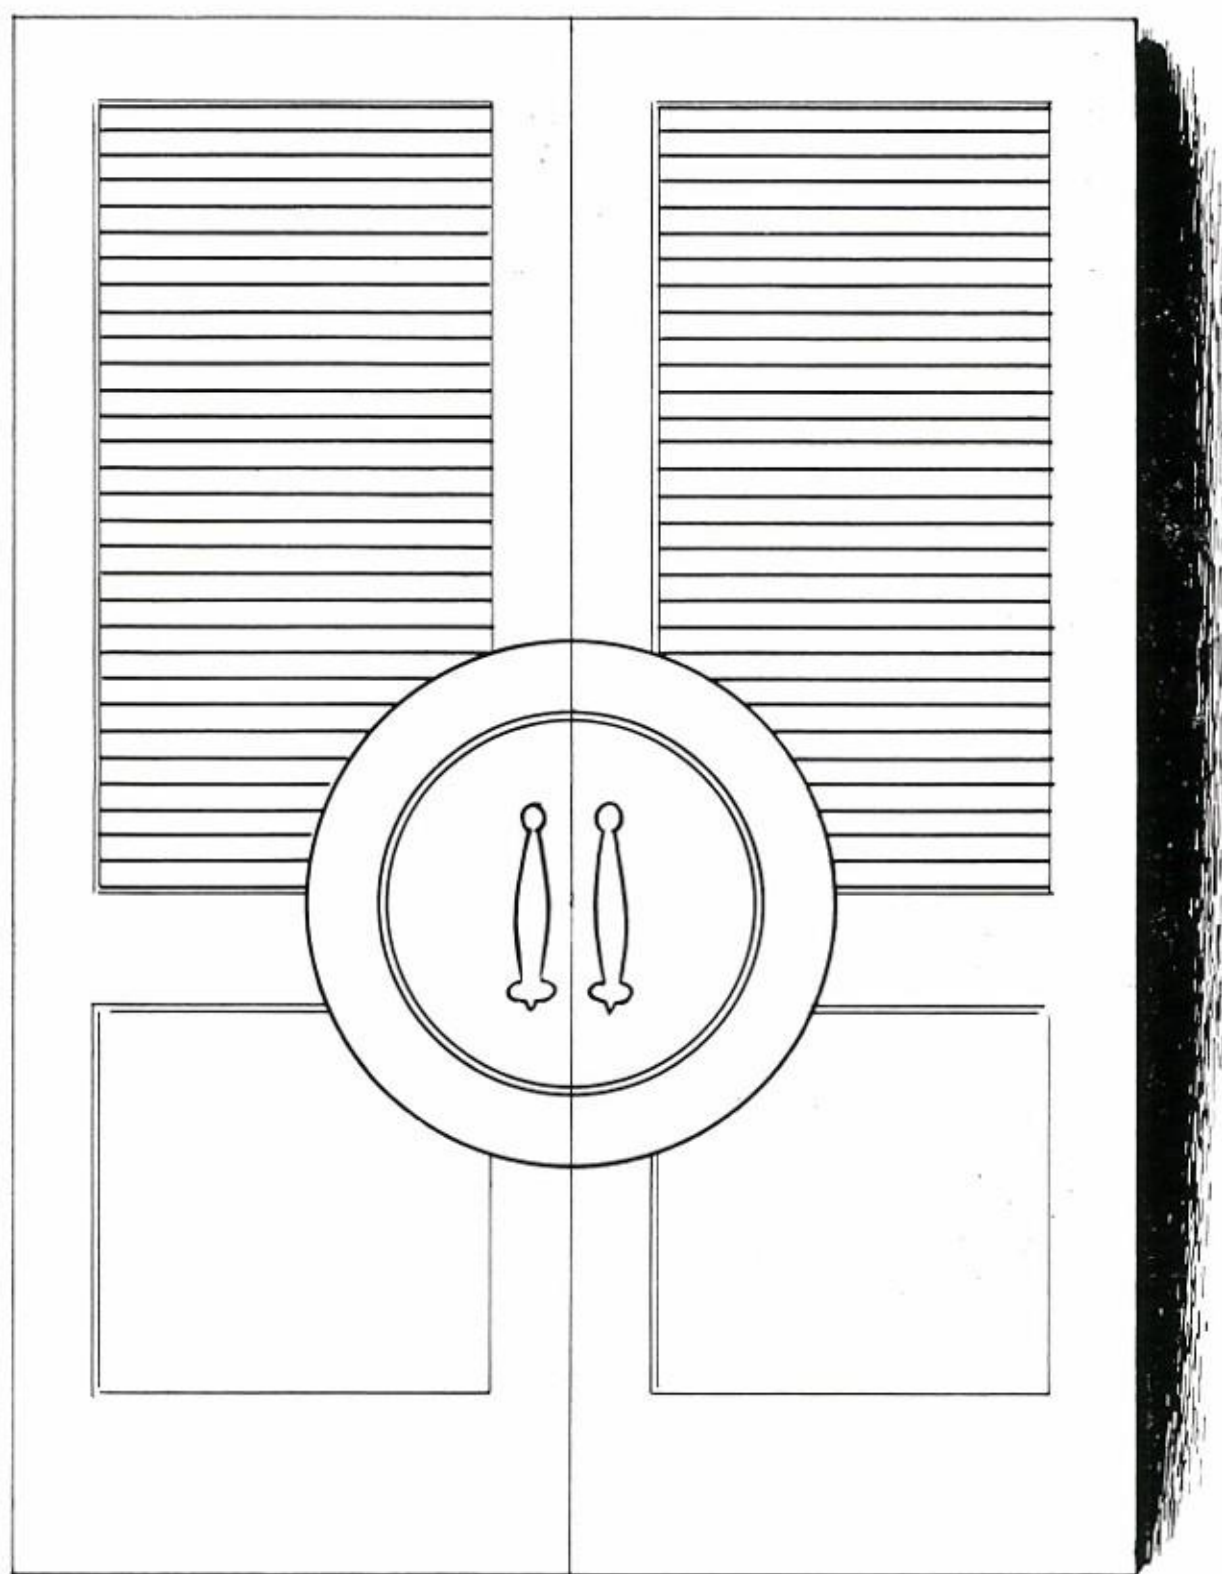

As we gaze at our American flag fluttering to and fro in the breeze, we pause to meditate. It is then that we realize that this flag is truly a symbol of our liberty. Our forefathers, who gave even their lives for this cause, opened the doors of opportunity for a life of freedom and happiness. It is up to us to take advantage of these privileges.

If we would begin listing all of our freedoms and opportunities for a full and happy life, the task would never be completed. We know that even the air we breathe affords us opportunities.

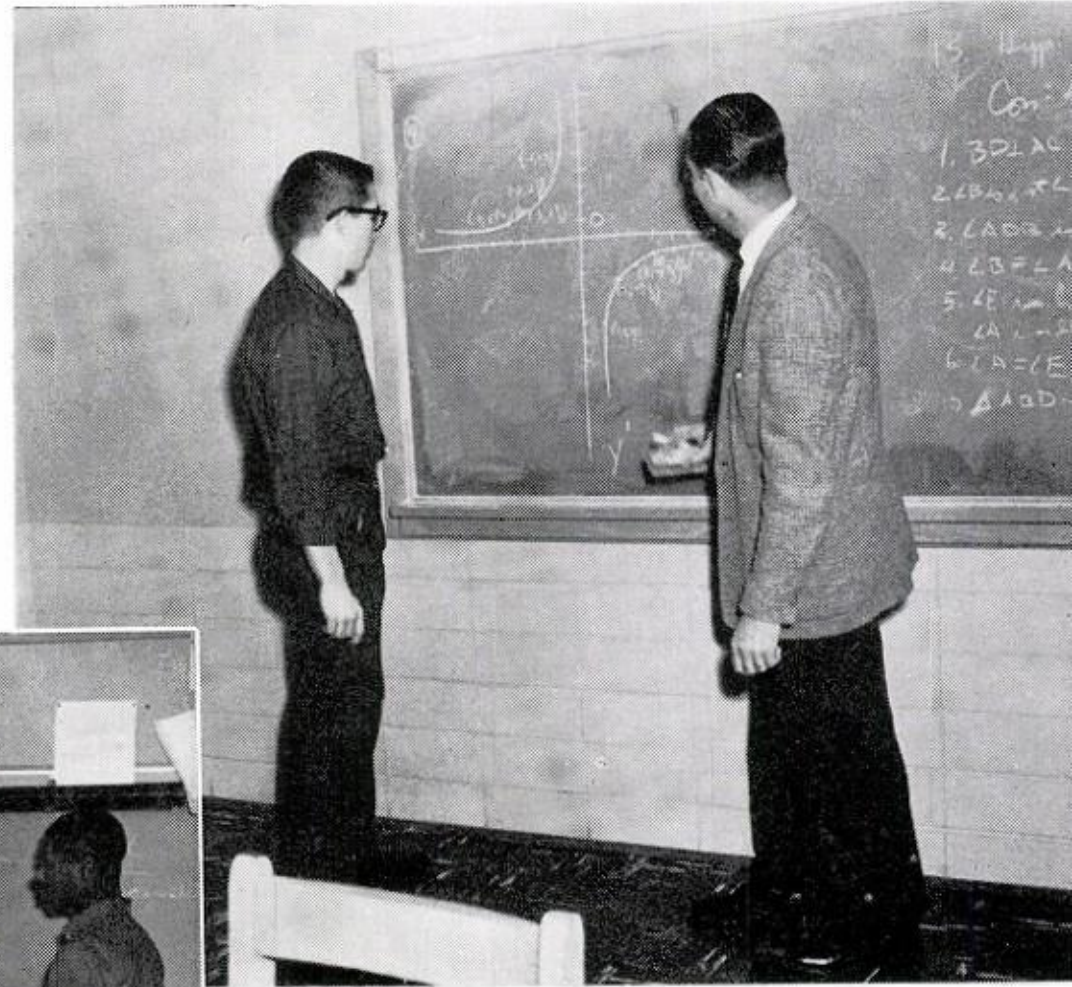

Possibly one of the most valuable of all that we have is our opportunity to learn. There are thousands of schools all over the world prepared to guide us toward a prosperous future; Shawnee is a fine example. And so as we proceed through the '59-'60 school year in pictures and words, you will see Shawnee opening the doors of opportunity.

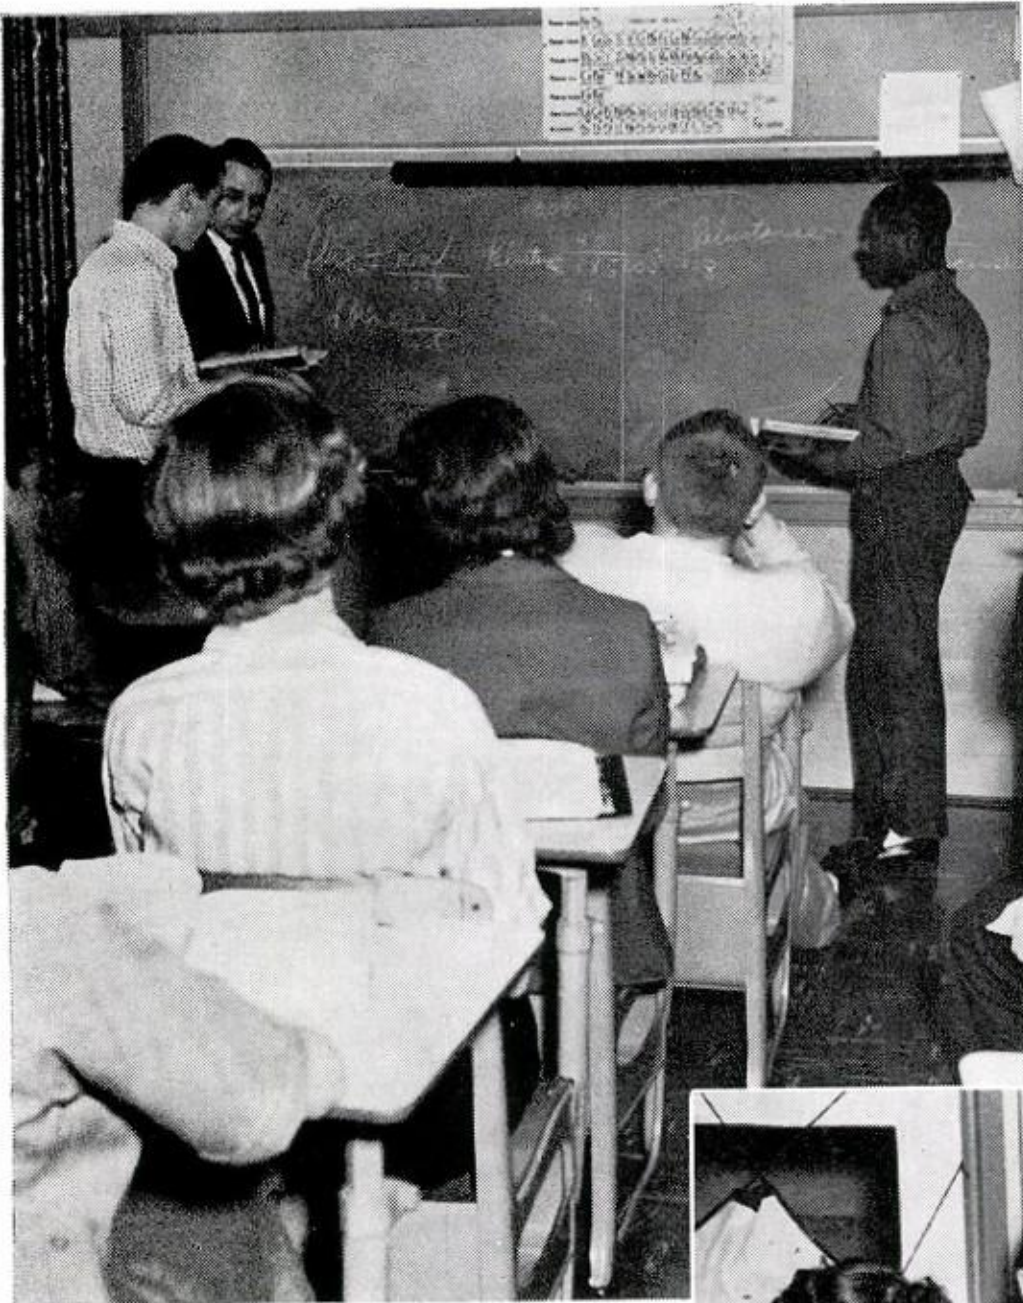

Shawnee Opens the Door of Opportunity

SCIENCE and MATH... Essential in Our Expanding World

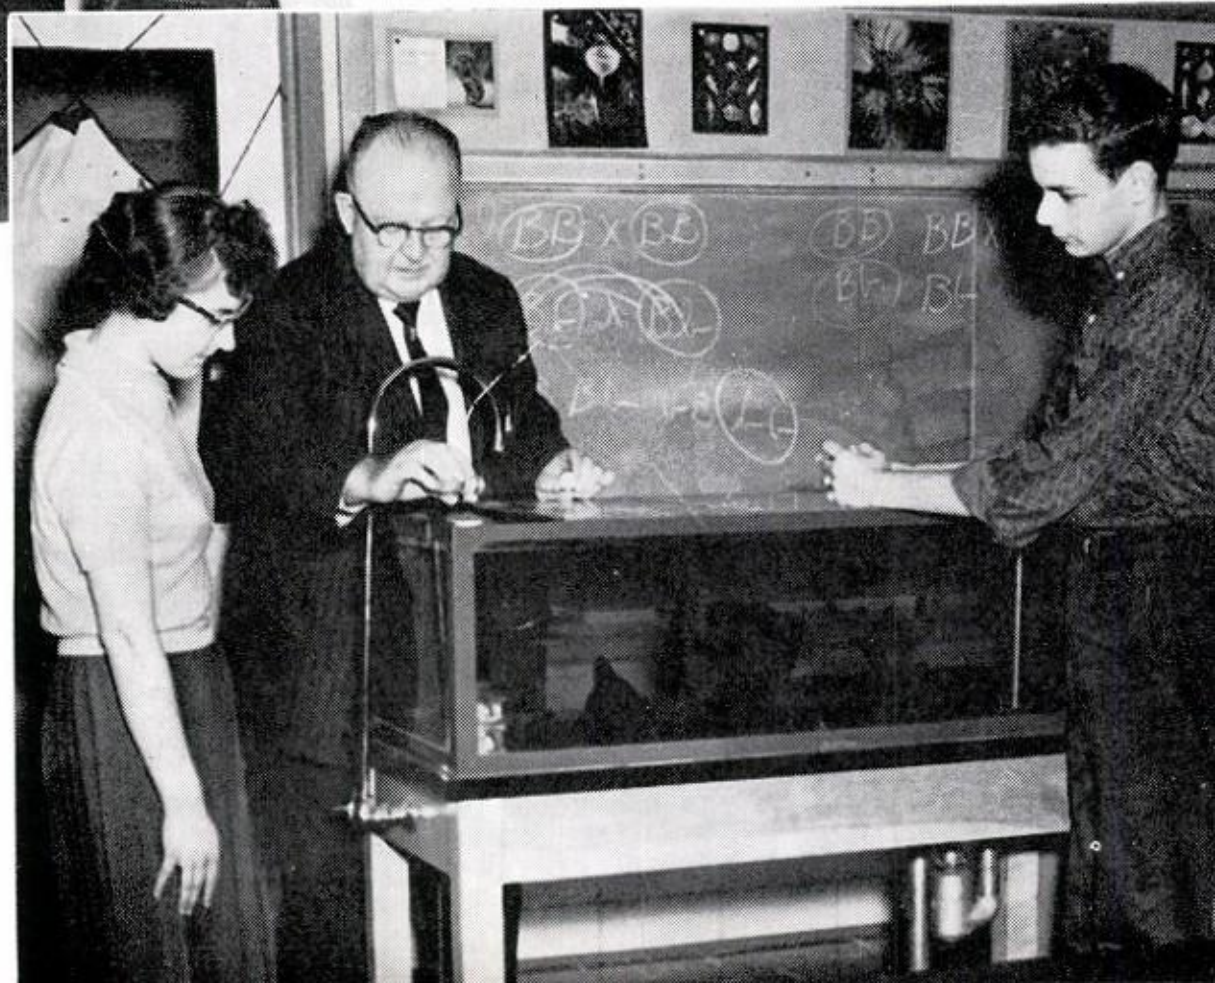

BELOW: Please explain that once more.

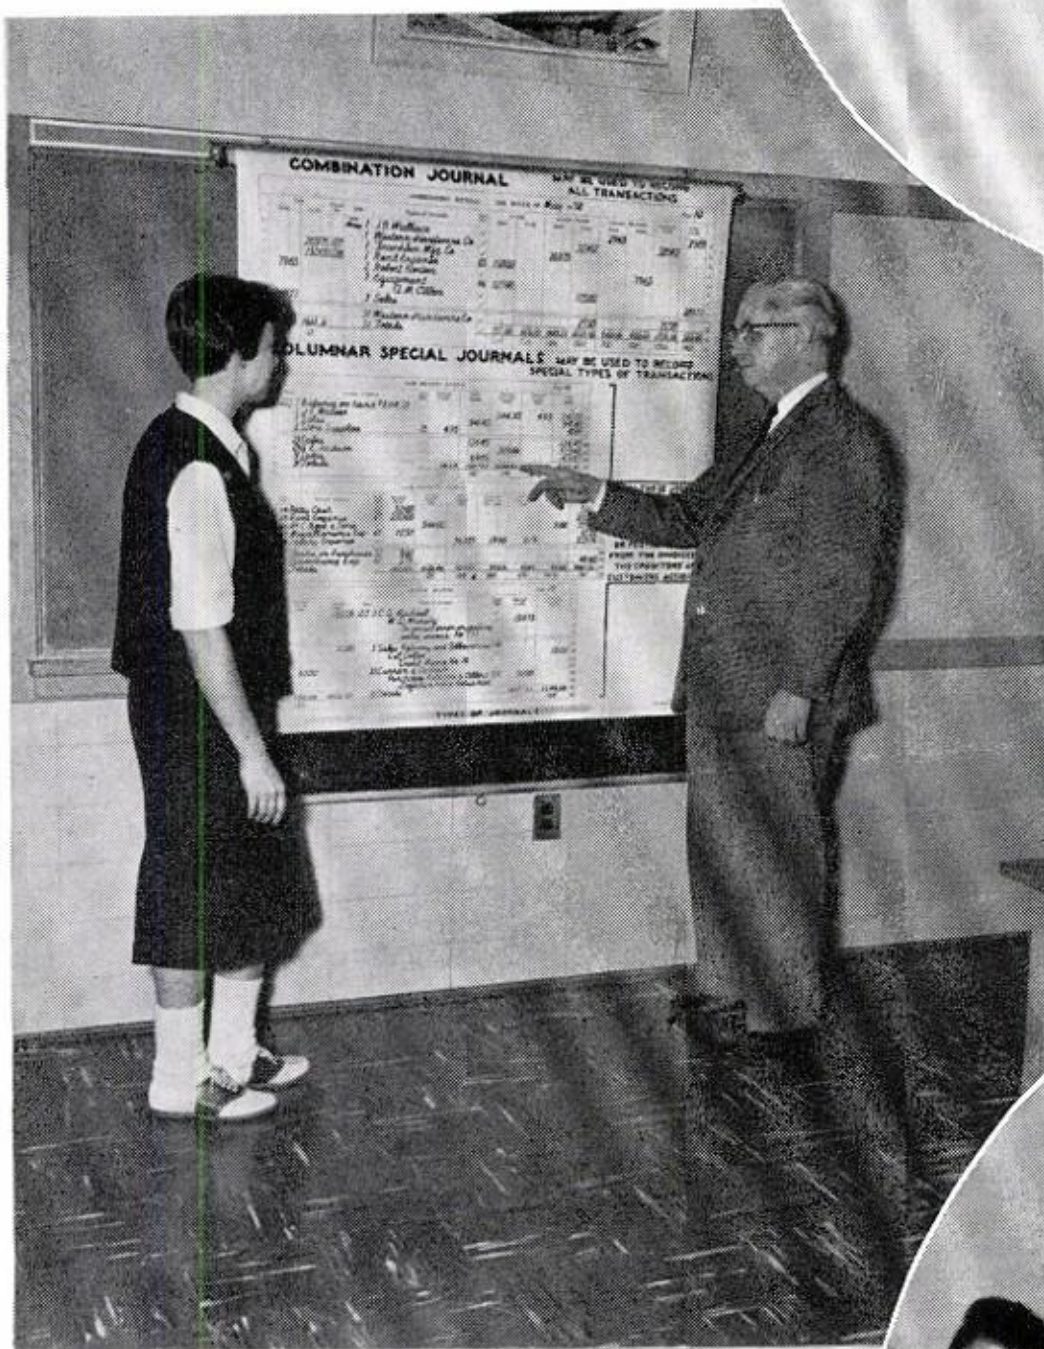

ABOVE: Graphing helps in solving the problem.

EDUCATION . . . for Careers in the Business World

RIGHT: Please take this letter.

ABOVE: Bookkeeping is made easier by the use of charts.

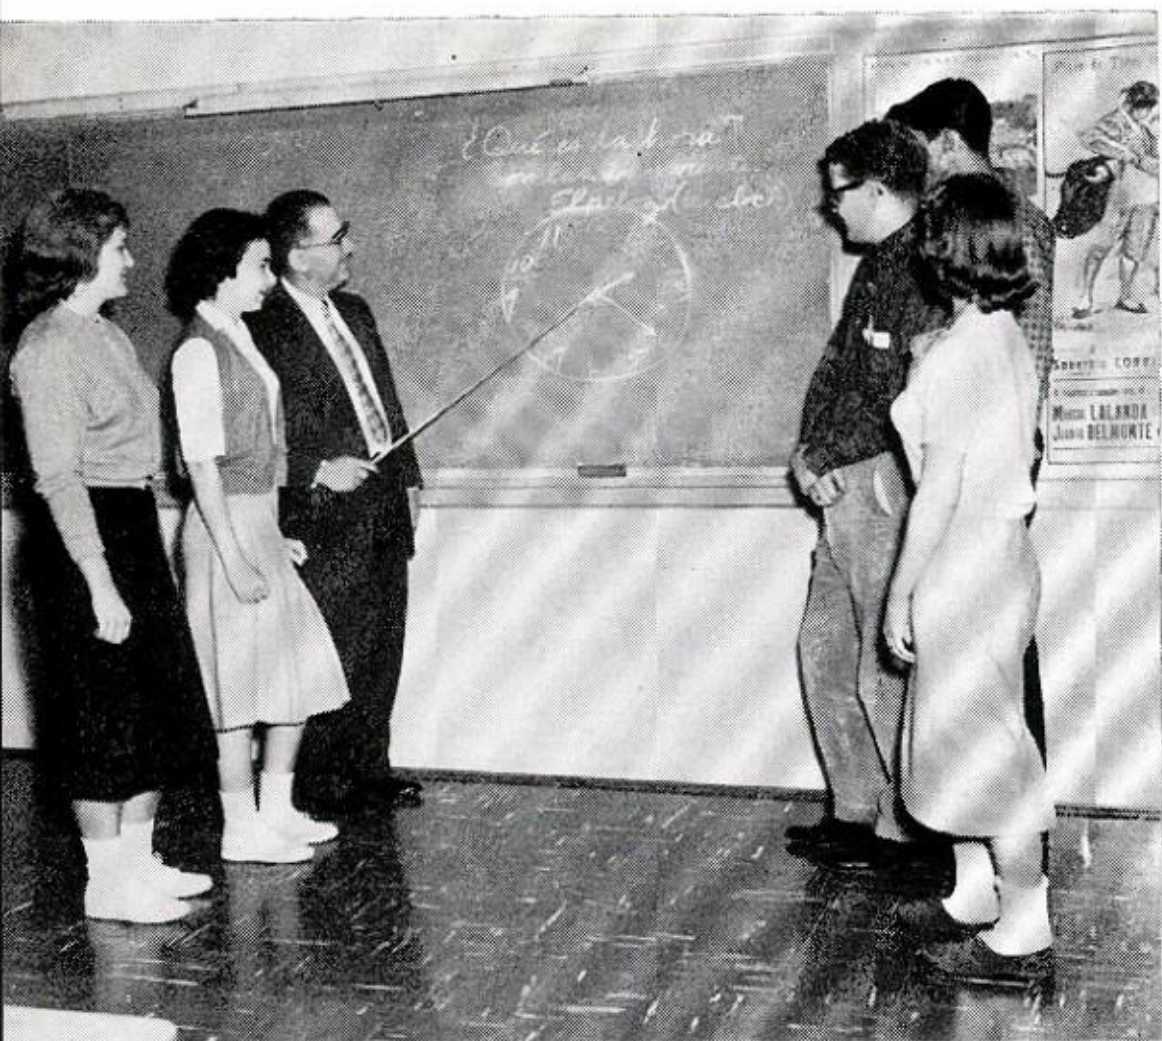

RIGHT: Is this correct office procedure?

Boom! Was that an explosion in the chemistry lab?

Numerous opportunities to prepare for a scientific career were afforded Shawnee students this past year. Every phase of science—physics, chemistry, biology, and mathematics—was taught and evaluated.

Isn't it exciting! This was one of the many exclamations heard in the business education rooms. The girls certainly appreciated the opportunity of learning how to use all the modern business machines available. Likewise, typing, shorthand, and bookkeeping classes were filled with eager students.

English, Spanish, Latin! Yes, these were the languages which Shawnee students spent many hours studying this past year.

Each morning Spanish students were greeted with "buenos dias" by Mr. Baca. The year was filled with recitation, recordings, and songs in Spanish.

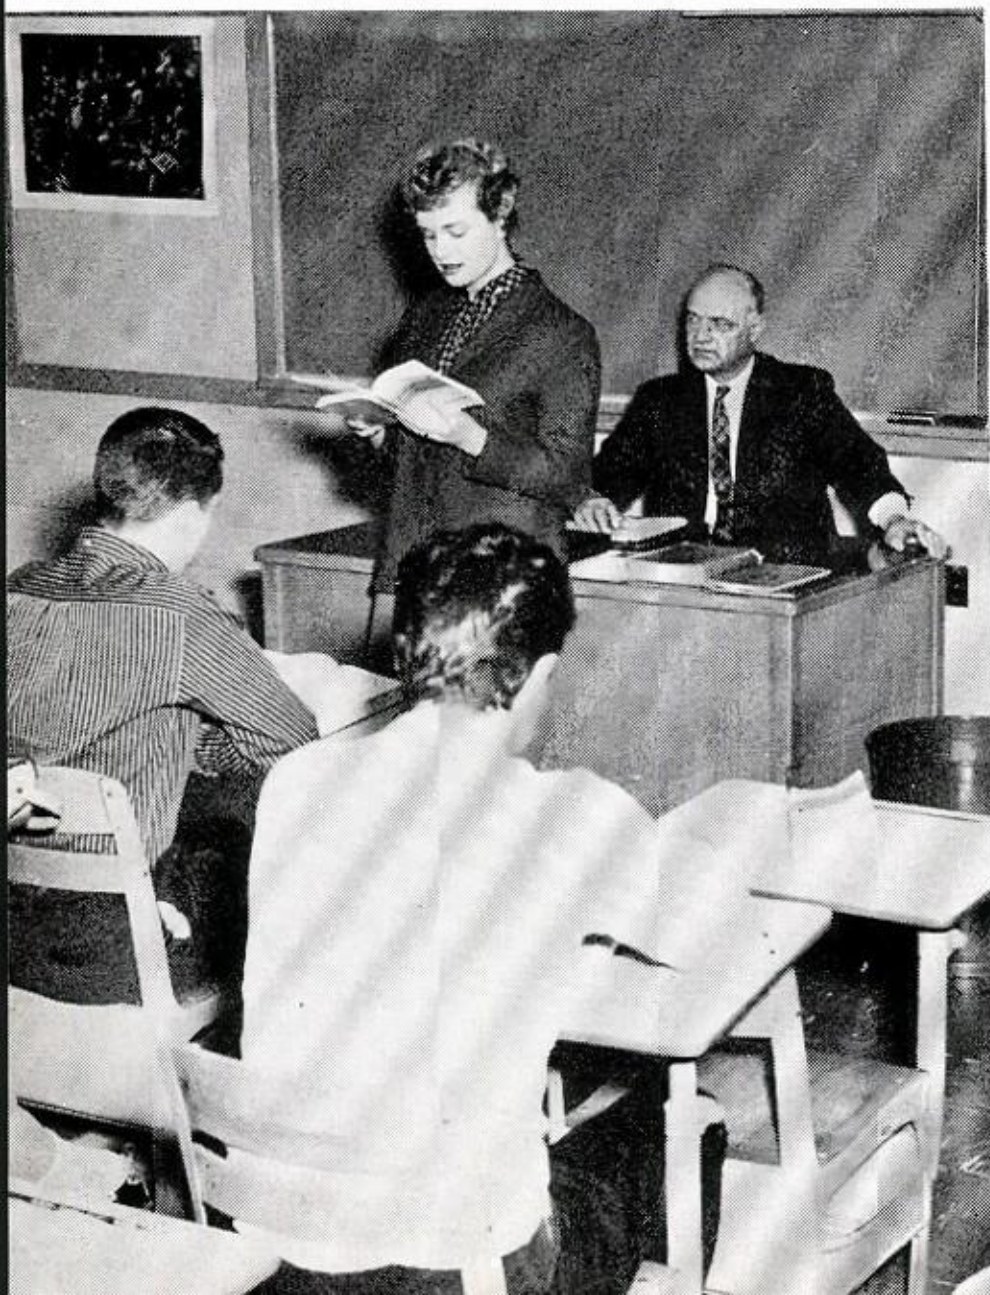

Latin, too, was alive this past year. Students who studied it found that their English vocabulary and understanding were also increased by their study of Latin.

Truly important were the English classes. Very few students did not take English since seniors were attracted by the new academic English class.

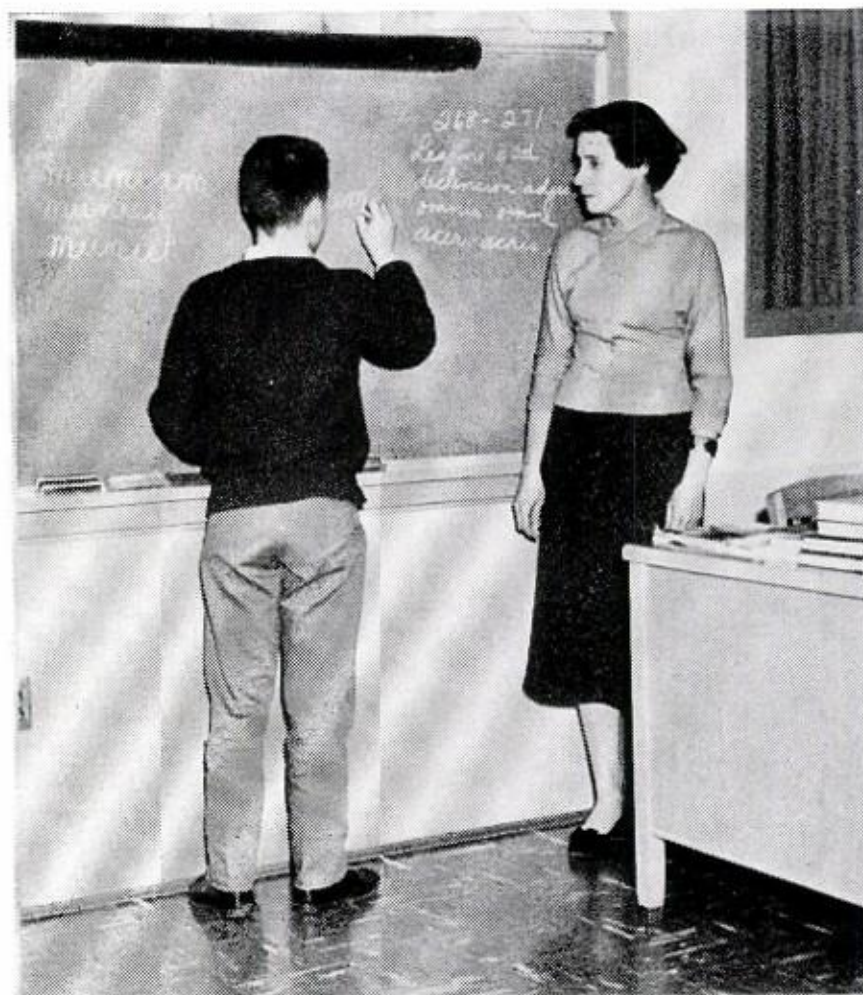

LEFT: What time do you say?

LANGUAGES . . . for World Communication

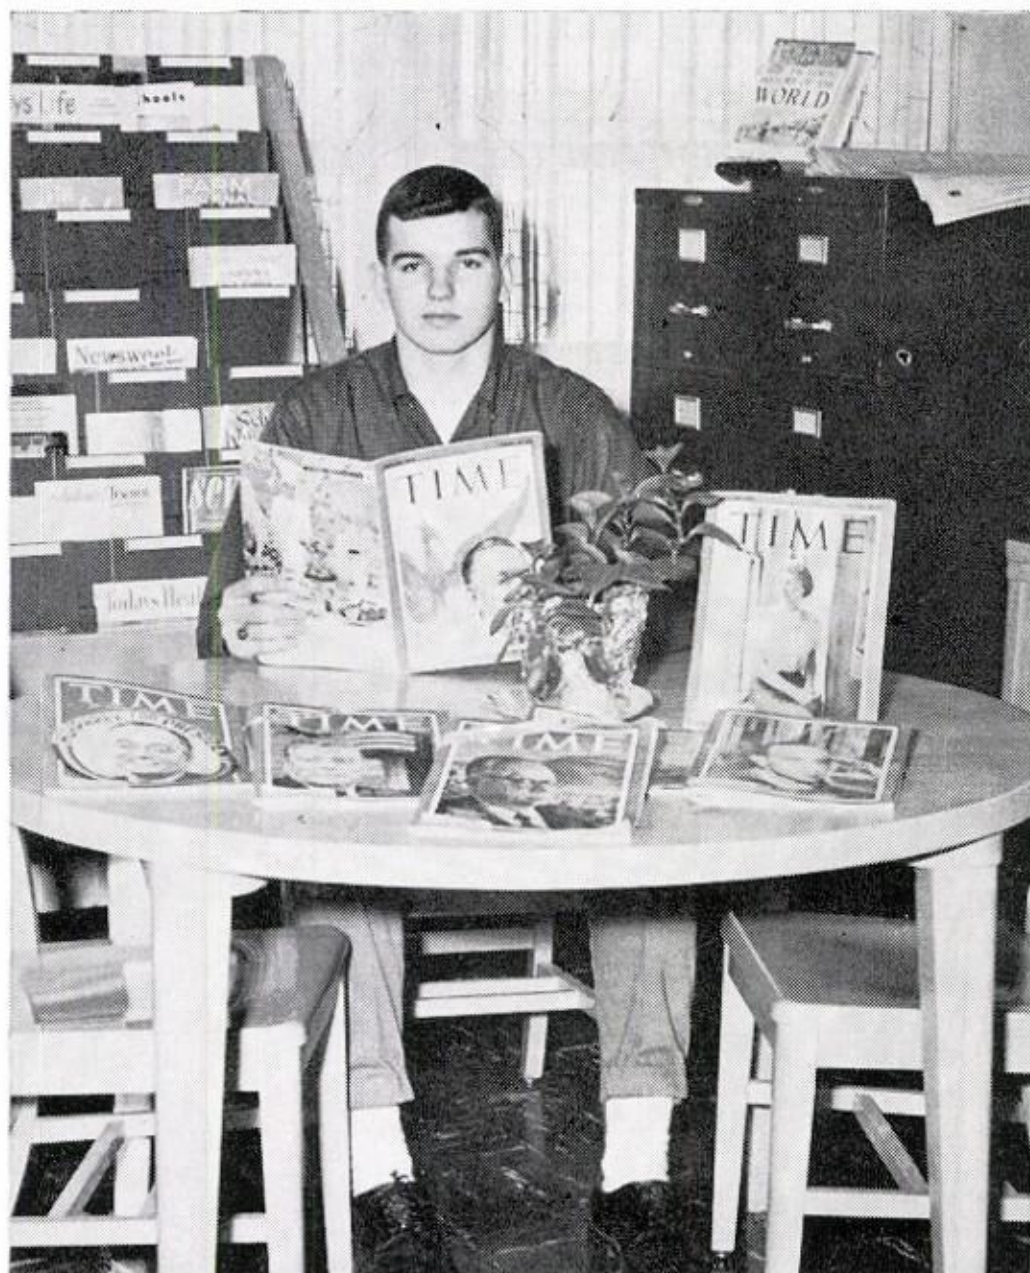

BELOW: David Copperfield comes to life.

BELOW: Is this correct?

SOCIAL STUDIES... for Understanding the World's Society

One of the most valuable departments in building good citizens of tomorrow was the social studies department. It was in these classes that we learned both of American history and world history. Also, we studied in detail the organization and functions of our government. Our minds and our powers of reasoning were stimulated in these subjects.

LEFT: The *Times* are in our hands.

BELOW: As the world turns.

GIRLS' VOCATIONAL . . . Preparation for Future Homes

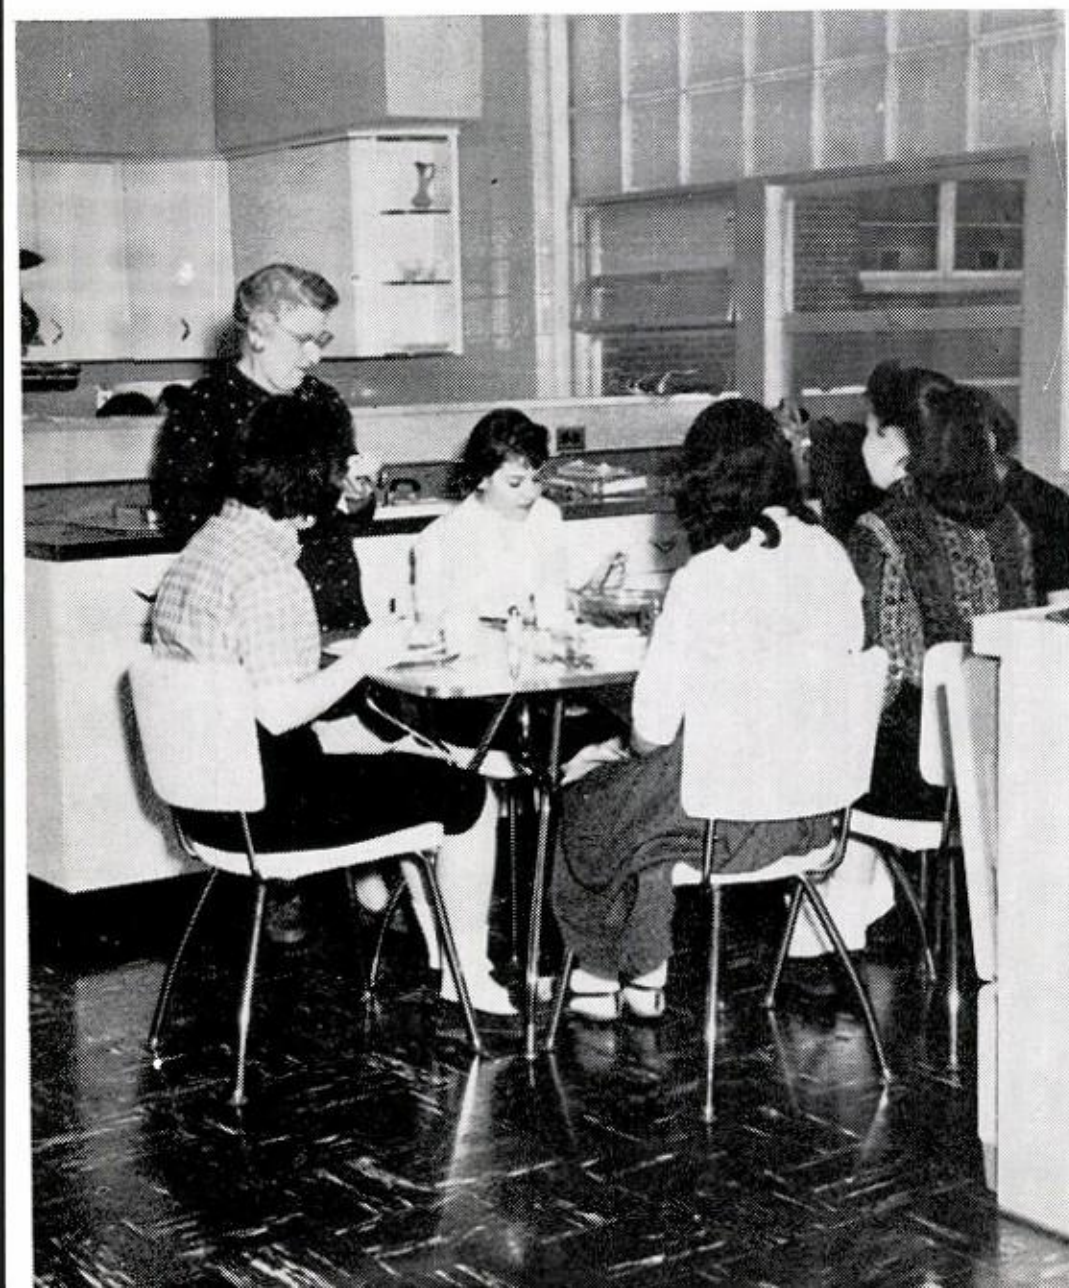

How long should this bake? Is the table set? Is it necessary to do dishes? Am I putting my hem in right?

Girls in the home economics department enjoyed the program provided them during the '59-'60 school year. Those who planned to make a career of home economics found the leadership of Mrs. Arnold and Miss Howenstine most helpful. This training will be indispensable for these girls in years to come.

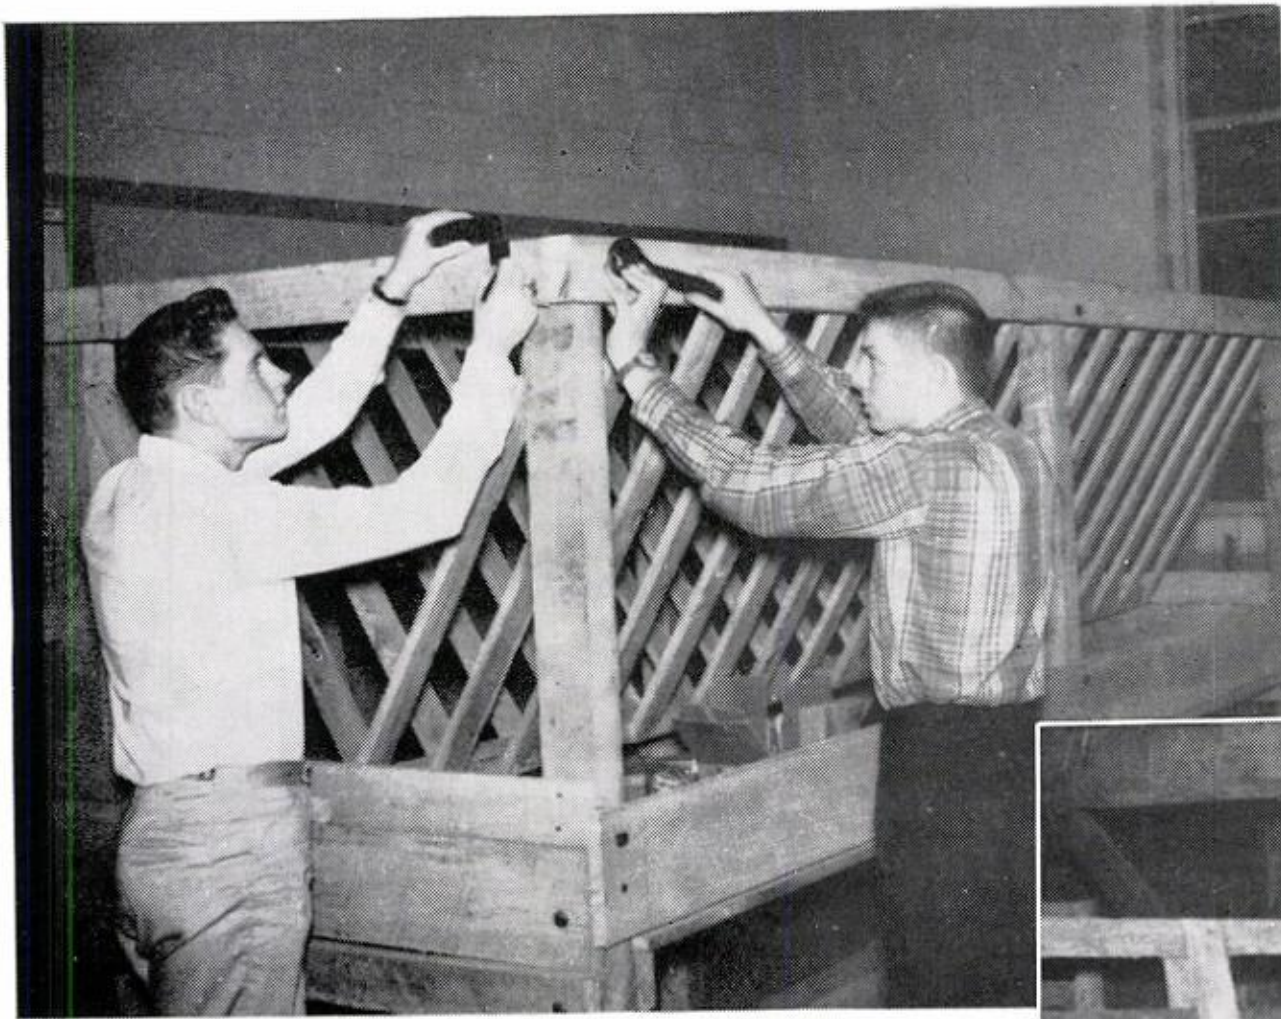

BELOW RIGHT: Sew a straight seam; iron out those wrinkles.

BELOW LEFT: They've cooked it, now they must eat it!

LEFT: Oh! Those dirty dishes.

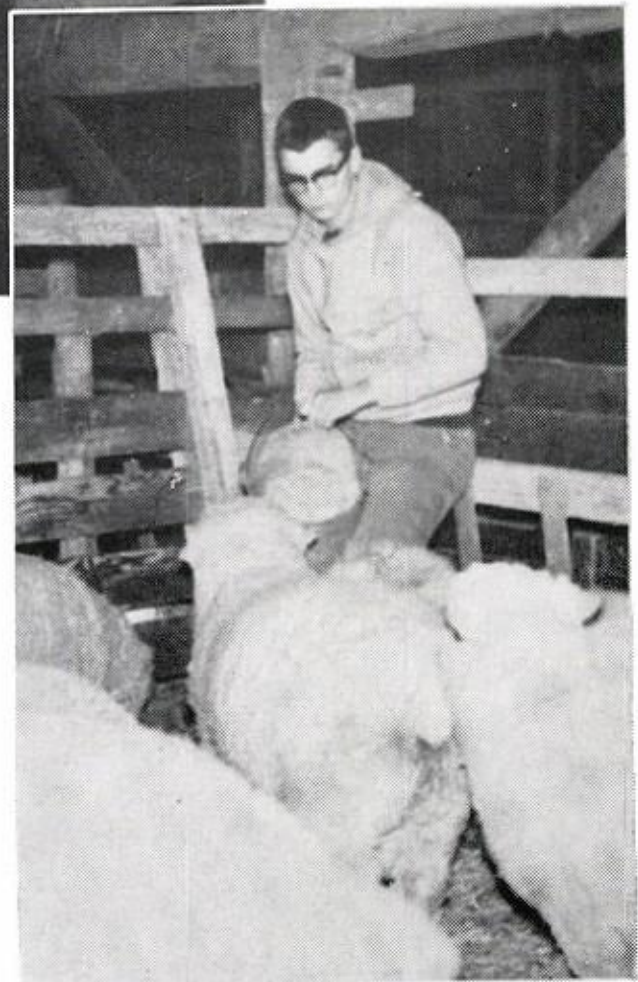

BOYS' VOCATIONAL . . . Equipment for the Future

Good work, boys!

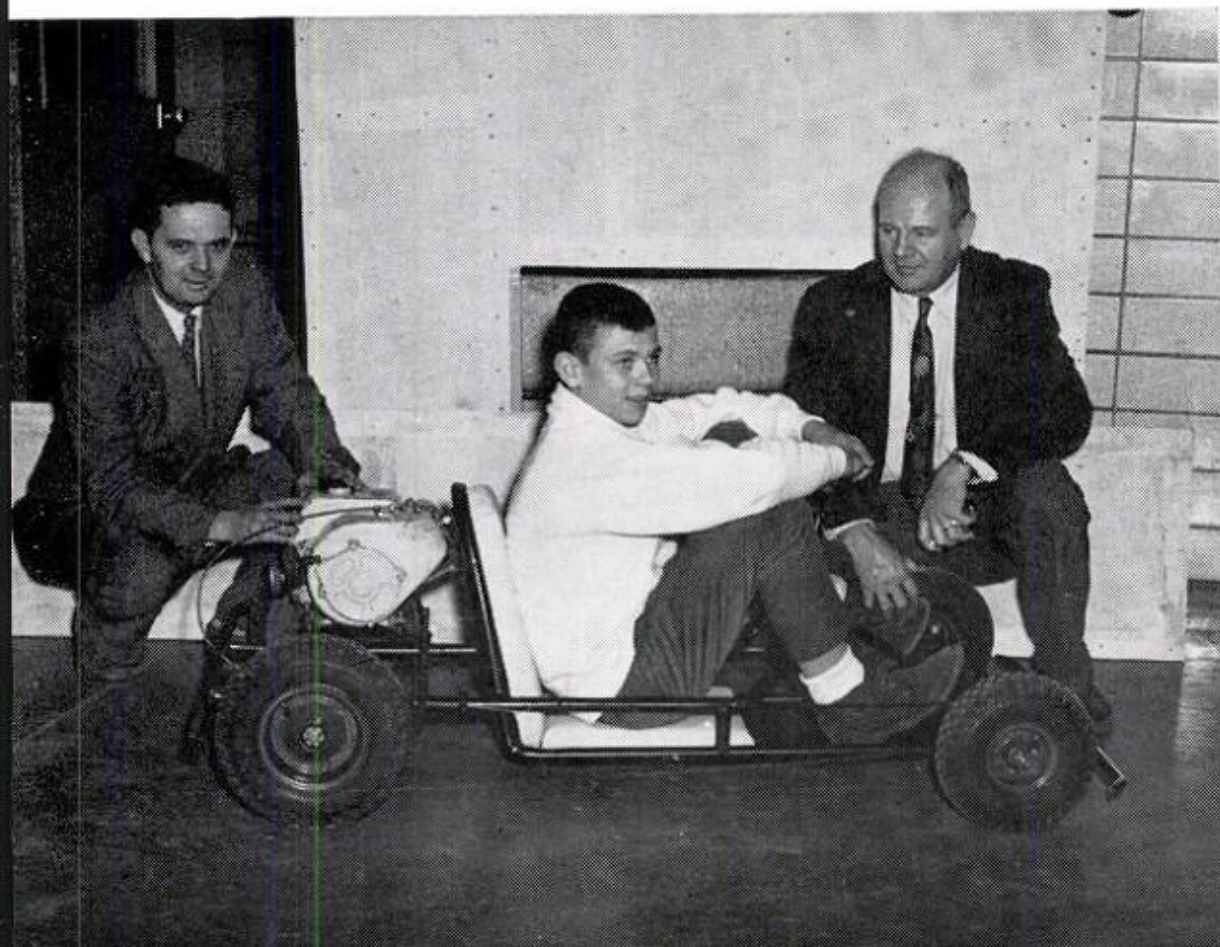

During this school year many boys became acquainted with the varied opportunities in agriculture and related occupations in vocational agriculture classes. They participated in a variety of areas of study which will help them to cultivate their future.

The industrial arts classes were filled with boys eager to develop their knowledge in this field. The instructors prepared their program to fit the needs of these boys and it certainly proved successful.

Feeding time for the "woolies."

The small economy car of tomorrow.

MUSIC . . . the Voice of the Soul

There was also a great deal of activity in the music department. Lovers of music filled these classes to capacity. Strong foundations were built for those interested in a musical career. Other students enjoyed joining their voices in song even though they had chosen other careers. Under the leadership of Mr. Beckett and Mr. Sonntag, the musicians filled the school with melody.

ABOVE: All together now 1, 2, 3.

BELOW: Sure wish contest weren't so near.

RIGHT: Practice makes perfect.

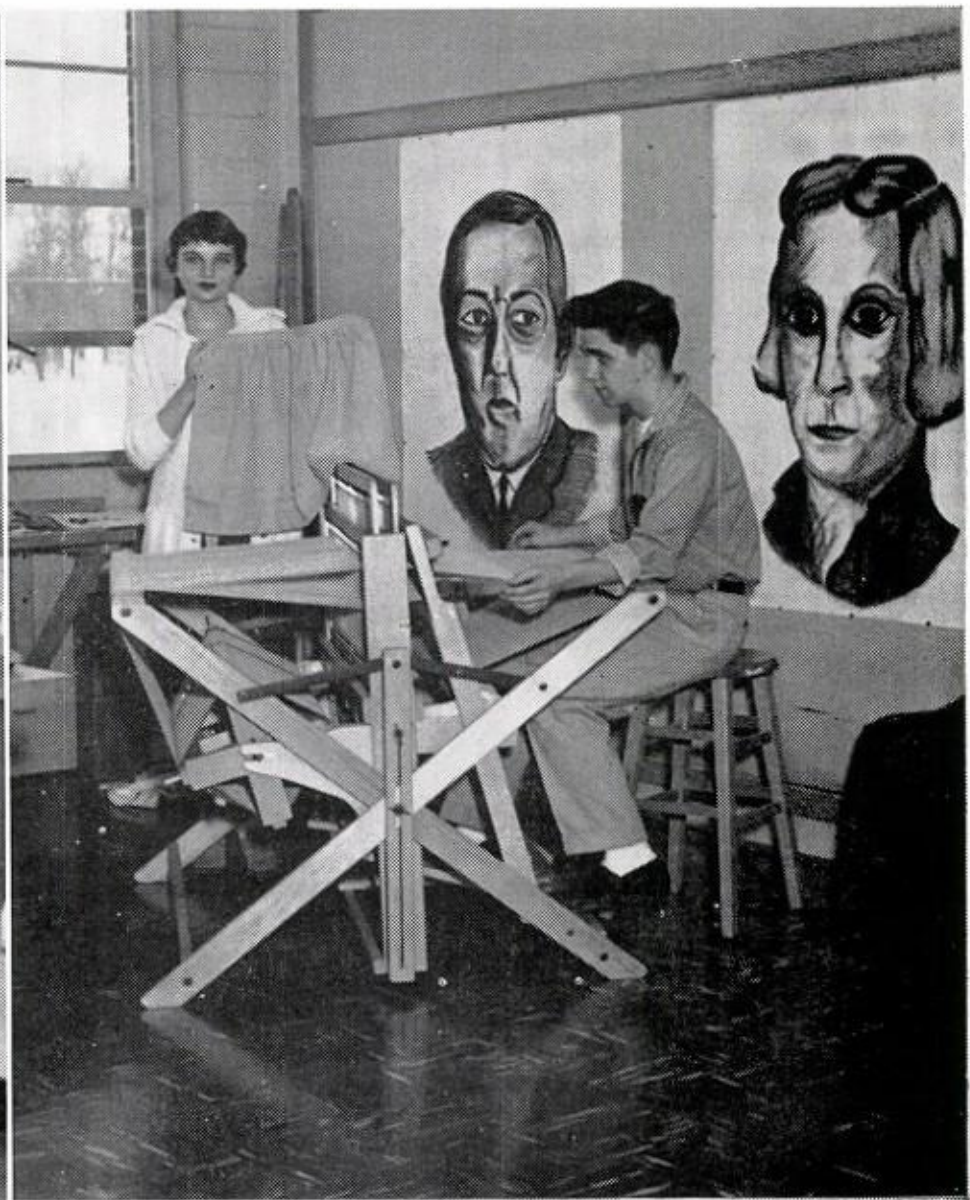

ART . . . Means of Self-Expression

The art department certainly accomplished its task this past year under the direction of Miss Bonnoront. Students who are looking forward to a future career in the art world were furnished with materials to support their dreams. Also, students who were there for the enjoyment of broadening their interests were provided with a variety of things to do. Together they did everything from painting to making jewelry and weaving.

BELOW RIGHT: A threat to the textile workers.

BELOW LEFT: Be careful; don't drop.

RIGHT: Silk screening is fun.

LEFT: Which is the best college for me?

ABOVE: We all enjoy good singing.

BELOW: Committee work makes college night a success.

GUIDANCE . . . Able Assistance for Those in Doubt

Which course shall I take? How can I improve my grades? What career should I pursue? Where shall I go to college? These are but a few of the questions asked advisers by students.

Under the direction of Mr. W. D. Shackelford, the guidance program was a real success. Besides the assistance of teachers and other advisers, juniors and seniors were privileged to talk with representatives from colleges in which they were interested. Not to be overlooked are the aptitude tests and college information provided students.

EXTRA CLASSES . . . Supplement to Formal Curricula

ABOVE LEFT: Another victim of the senior girls' health class!

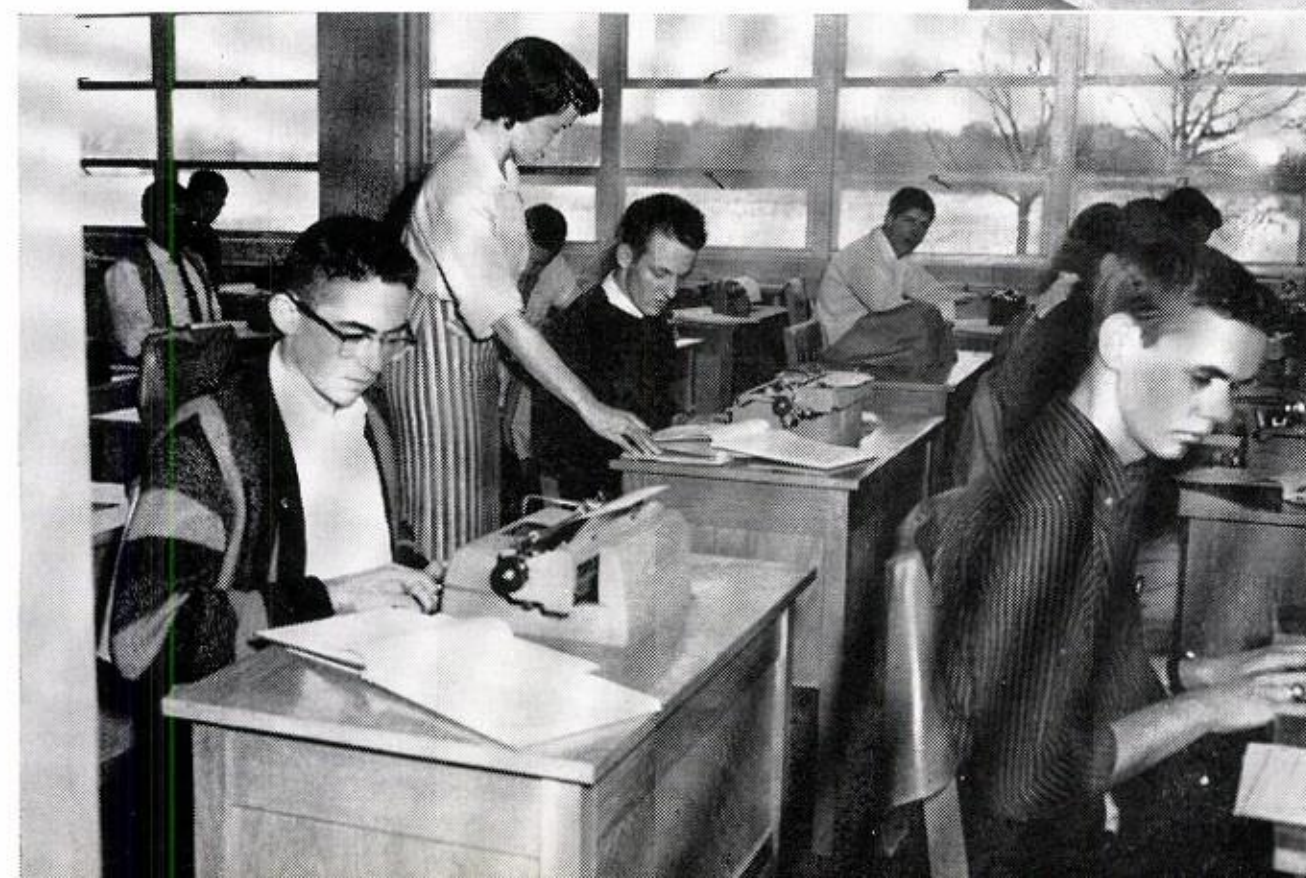

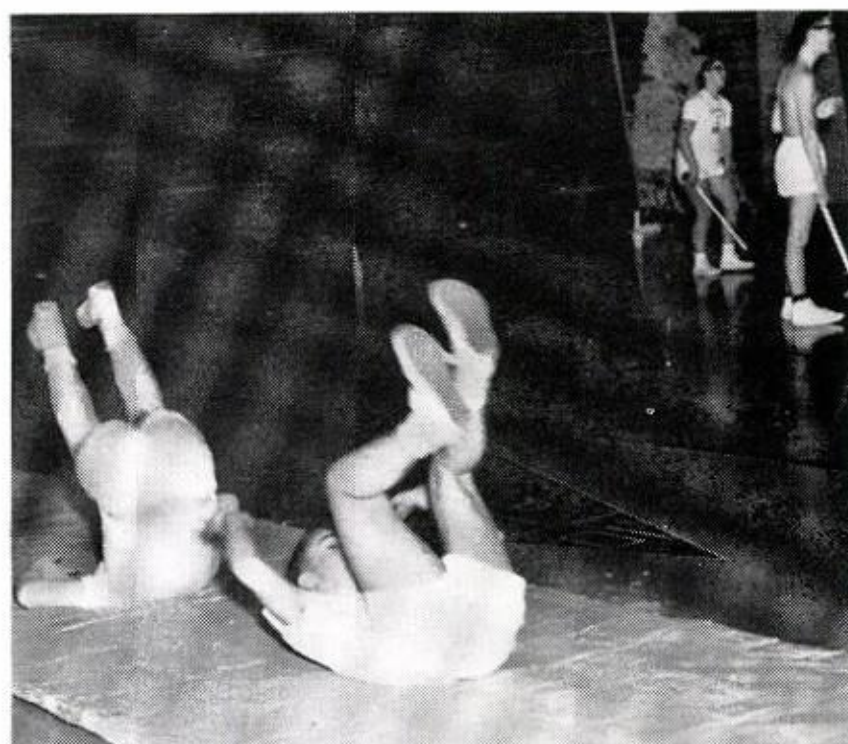

ABOVE RIGHT: This is the easy way to drive a car.

In addition to the classes already presented, many others filled a student's day. Calculus, academic English, and personal typing were new subjects for this school year.

Then, as usual, all students were required to take either physical education or health. Muscles and strength were built in the gym while means of preservation of these muscles and strength were discussed in health classes.

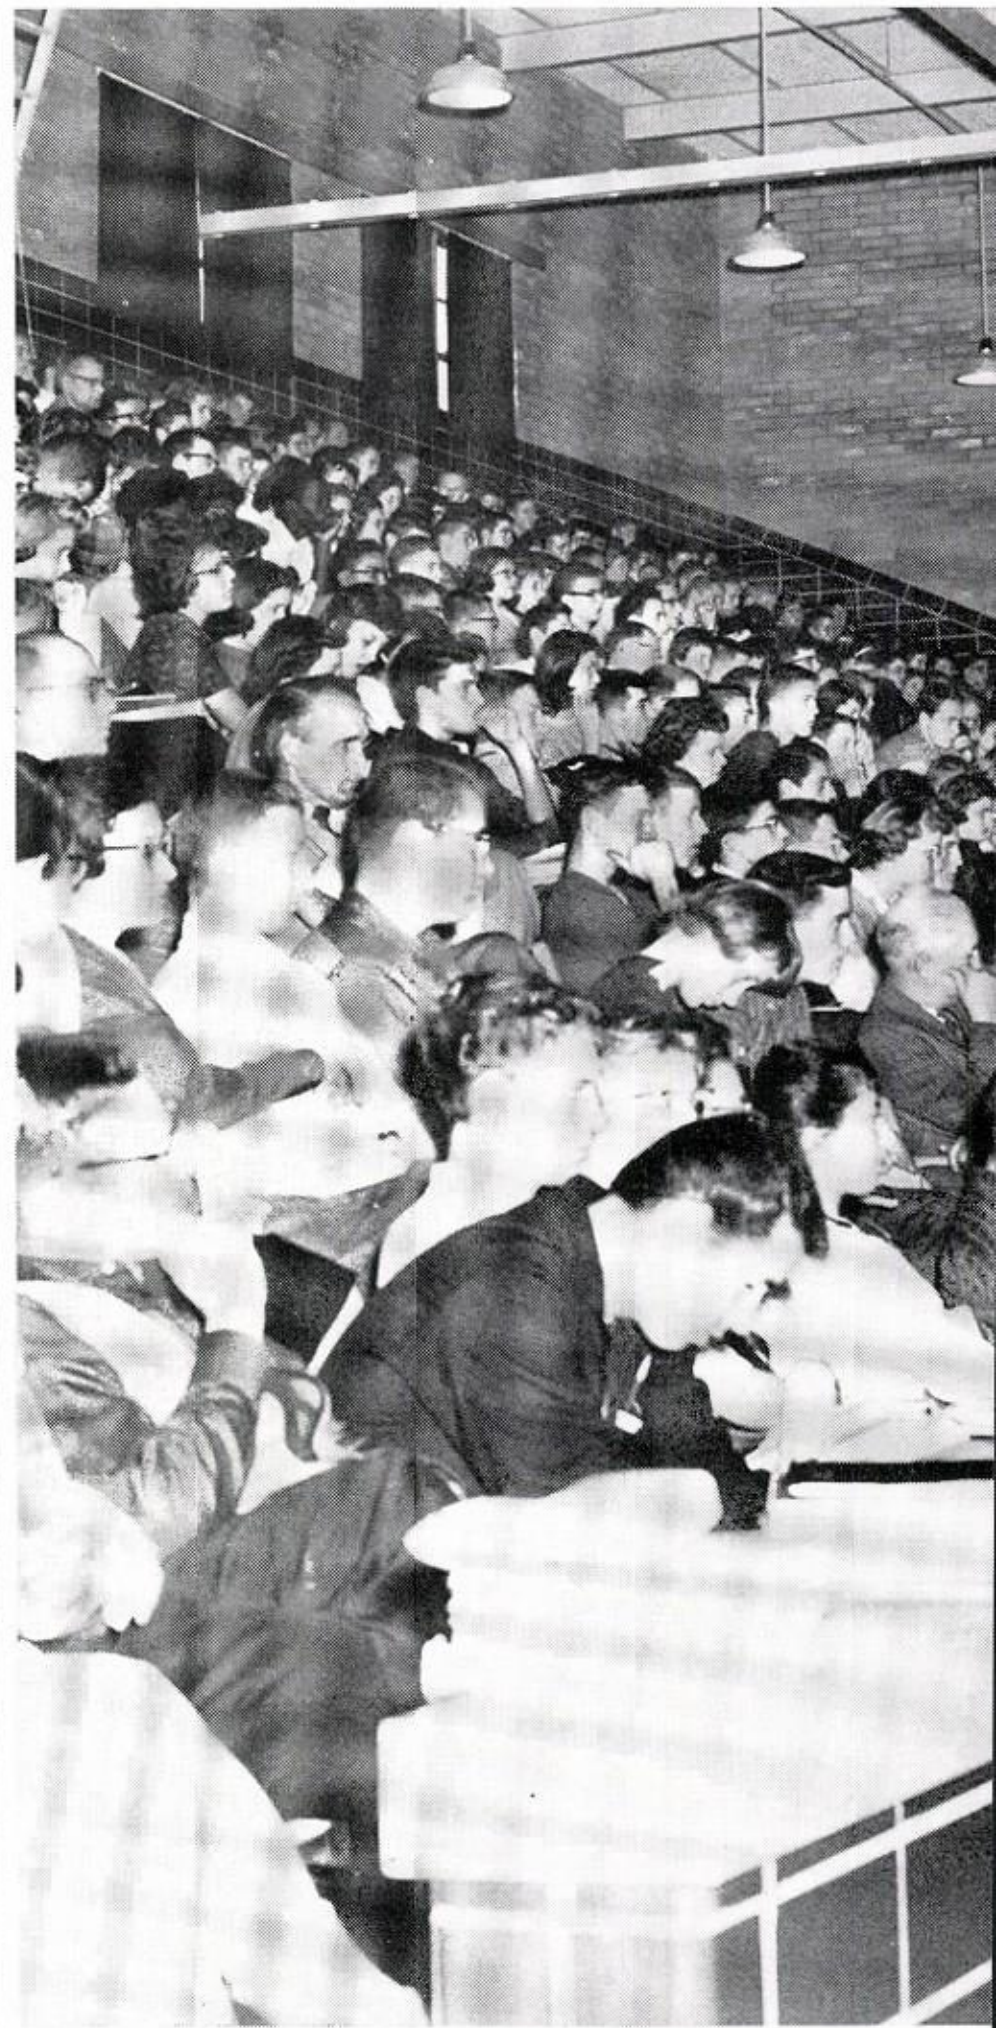

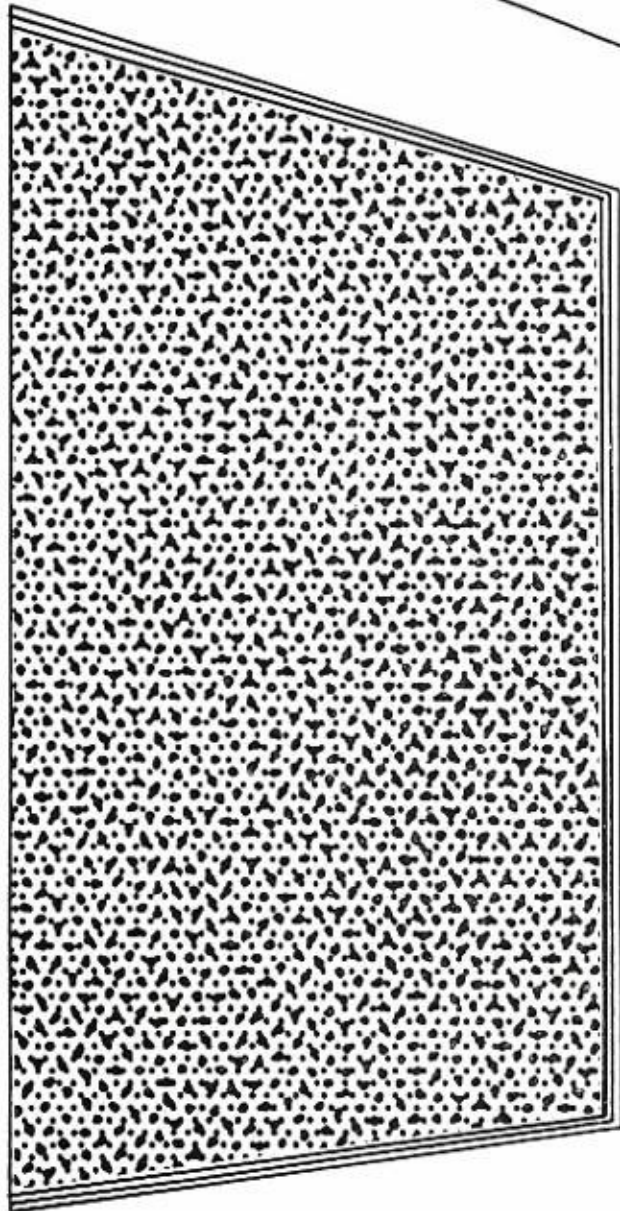

Drivers' training found many enthusiastic future drivers behind the wheel. Besides the actual driving, students learned the rules of the road.

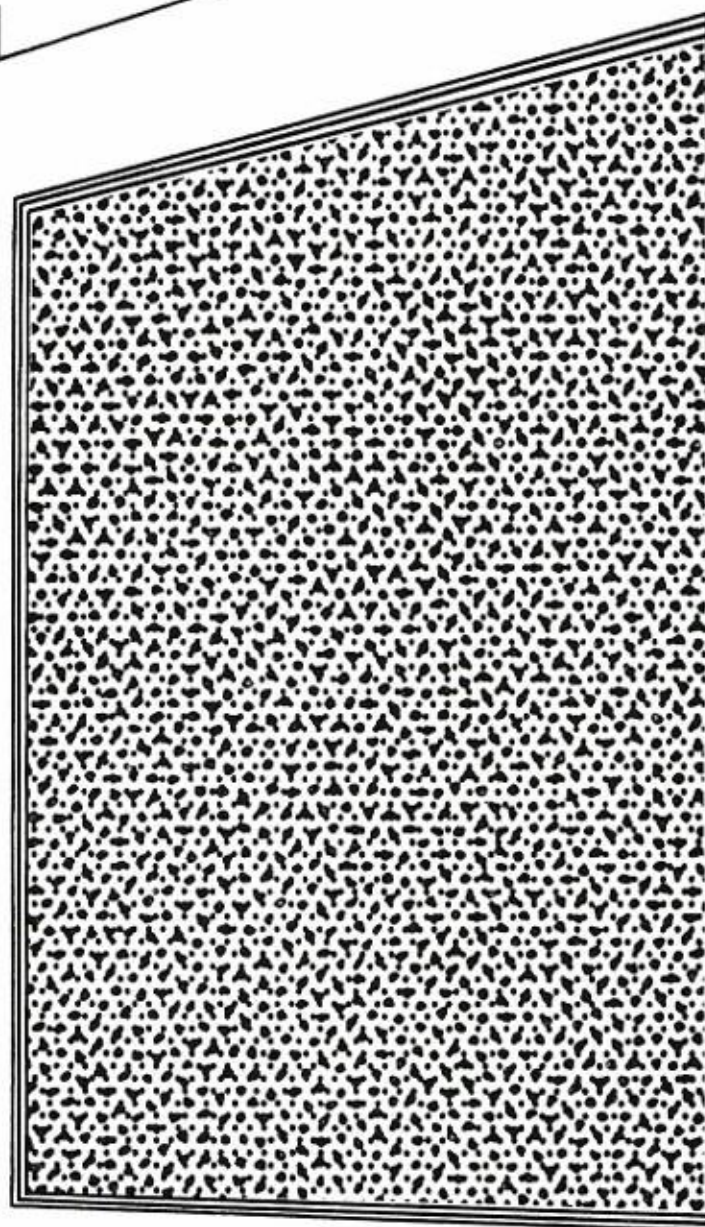

Head over heels.

Don't peek at those keys!

Dear Student Friends:

It is with mixed feelings of pleasure and regret that this will be my last year at Shawnee School. The pleasure is from the opportunity I will have of doing some travel, some reading and study, and other activities which have always been denied me because of the press of school activities and school work. The regrets will be from breaking contacts with you students and faculty members.

Throughout thirty-four years you students--and those who have gone before you--teachers, and I have labored together as a team. Harmony and good-will, with very rare exceptions, have been the keynotes of our school. I have always had a feeling of joy and pride in your accomplishments in athletics, music, dramatics, and above all in scholarship. Many students have gone forth from our school to gain distinction in college, in business, and in professional endeavor. I believe that ALL have been better off for having been connected with our school.

I wish to extend to all a real thanks for your fine cooperation, your many favors to me personally, and your aid in building a Spirit of Shawnee. You have given me half a life-time of pleasureable work and of gracious living. I shall not forget.

Most sincerely yours,

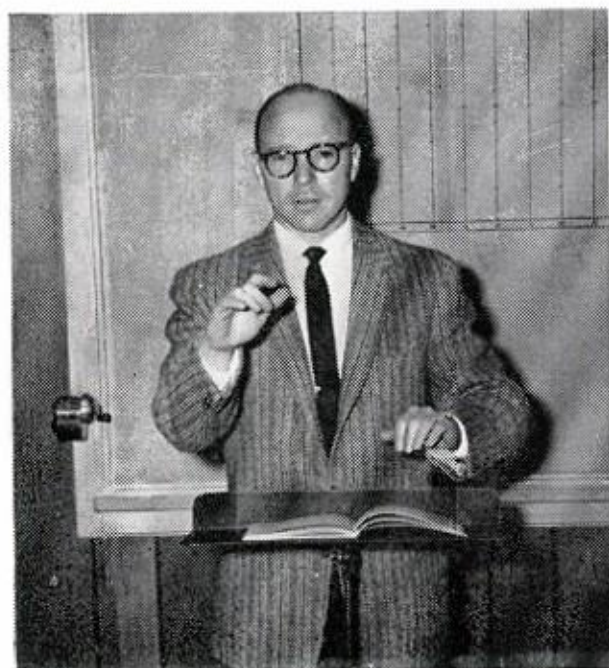

C. G. Lappin

SENIOR YEAR ONE OF MANY OPPORTUNITIES

Excelling in all phases of school life, the Class of 1960 looks back at a wonderful and full year at Shawnee. Members of this class could be found in almost all of the activities of the school—sports, music, publications, clubs, and dramatics.

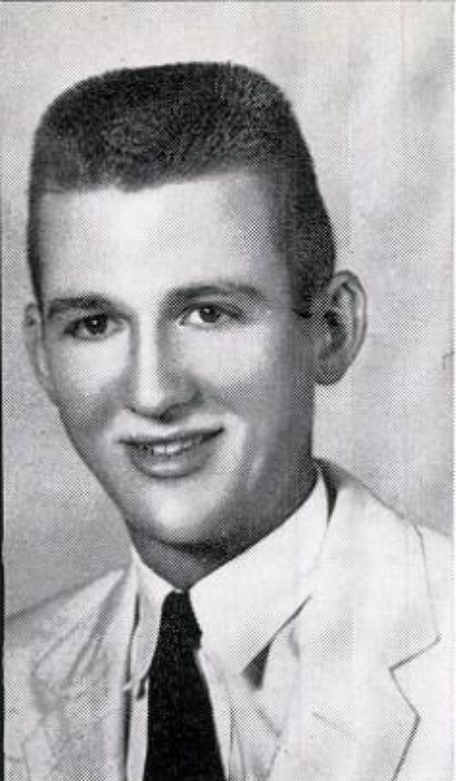

Every member found new excitement in various experiences which come to every upper classman. Ordering class rings, preparing for the prom, and presenting class plays, were some of the means of opening doors of opportunity for the class.

The day of graduation is not far off for these seniors. Though they have spent twelve years for this day, the seniors look forward to it with a mingling of joy and tears. They are glad to graduate, yet they hate to leave Shawnee and all the ties that bind them to it.

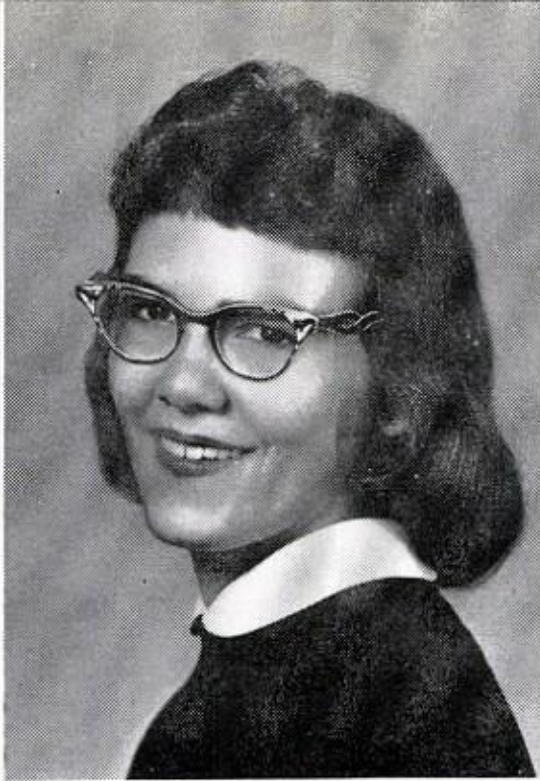

Long will the many memories of school life stay with these seniors as they leave Shawnee and enter a new life. The records they have made will always be a part of Shawnee.

WE LOOK AHEAD WITH CONFIDENCE

Try-outs can be trying!

Hard work and wide participation keynoted the activities of the class of 1961. This was shown by their representation in scholastic honors and participation in athletics, music, and clubs.

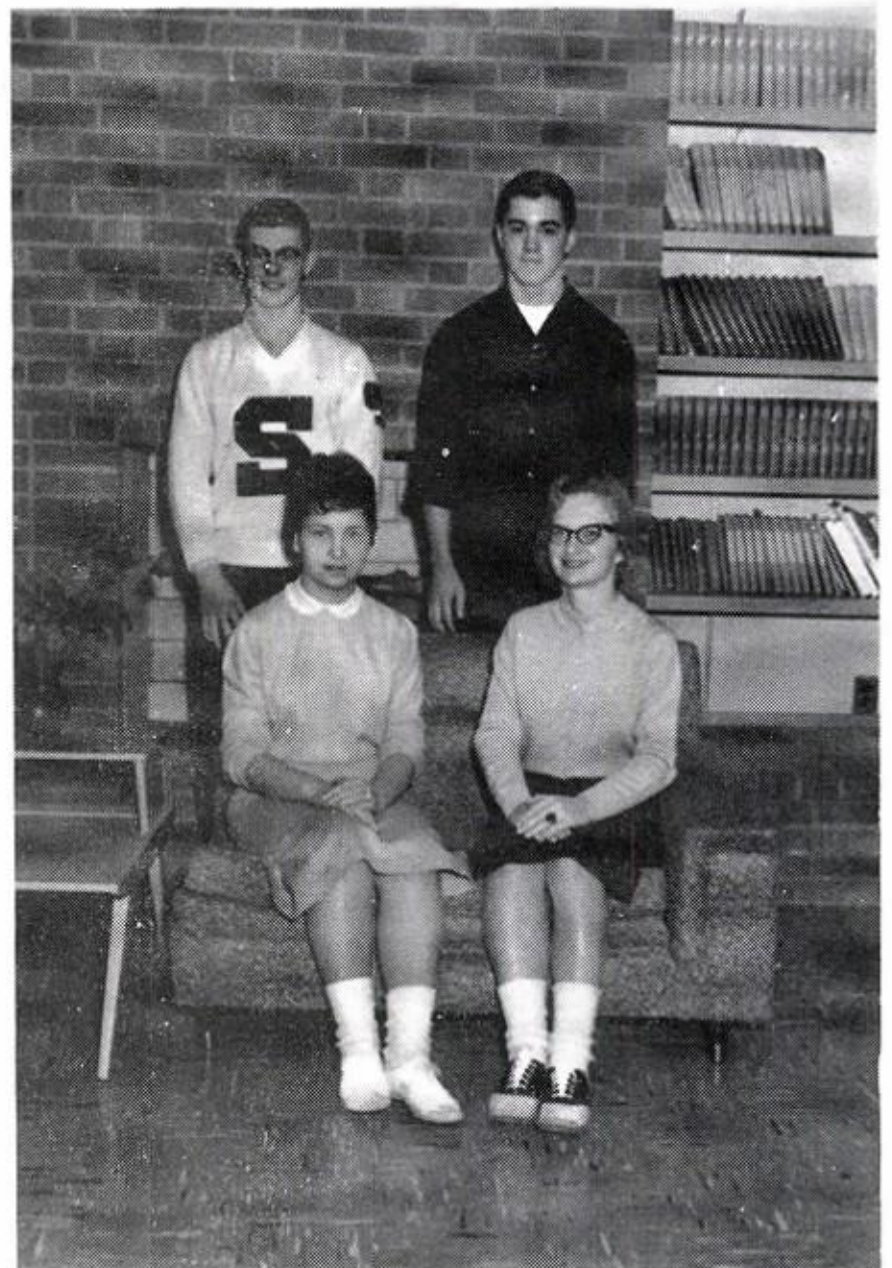

The hard work of every individual of the class was evident in their money making projects during the year. Their presentation of the play "Football Fever" and the selling of Booster Bars were two examples of this hard work and participation.

The climax of the year's efforts was reached when the class was host for the Senior Prom of 1960.

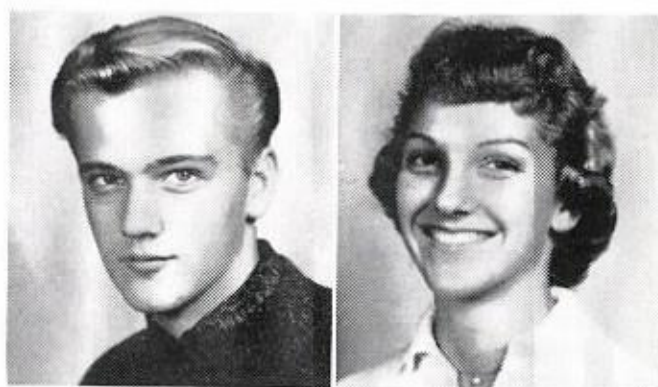

"If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them."

Sophomores seek guidance from advisor.

Composed of 215 students, the sophomore class had the high enrollment of the '59-'60 school year. They distinguished themselves in various fields of study, in club activities, in numerous sports, and in music.

As they strove to accept the responsibility of students at Shawnee Senior High, they learned how to be better citizens in their community and country.

There Is Always A First Time

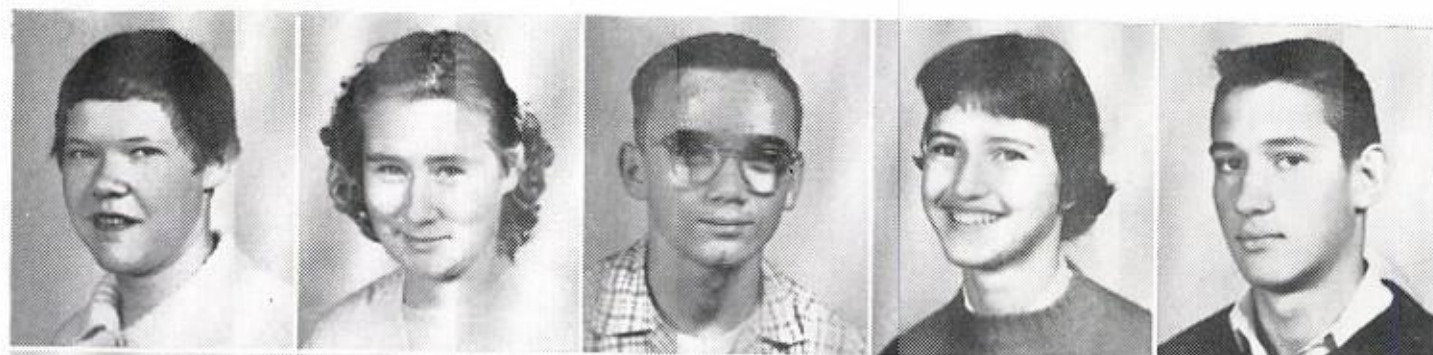

For the freshmen, the year was full of new and exciting experiences. Each new and different activity give only a glimpse of the fun awaiting them in the years ahead. Probably the most glamorous event was the carnival with their pretty, petite candidate, Linda Martin.

Perhaps the greatest thrill of all was the fact that they were at last a part of Shawnee Senior High.

HOMECOMING . . . 1959 VERSION

Homecoming! The biggest event of the football season came on a crisp, wintry October sixteenth evening. The crowd held its breath as the beautiful float, constructed by this year's senior class, made its way through an aisle lined on each side by band and drill team members.

Then the big moment arrived, and to the familiar strains of "Sweetheart of Sigma Chi," Miss Toni Davis stepped from the float to be crowned Homecoming Queen for 1959 and to reign over the football game with Coldwater.

Later on, still holding her bouquet of chrysanthemums presented by the captain of the football team, Queen Toni presided over a dance given in her honor by the Student Senate.

1959 CARNIVAL - - A GAY AFFAIR

The usual combination of confetti, noise, and queen candidates dominated the 1959 carnival. Its purpose was to provide a fun filled evening and it certainly accomplished that.

The merriment began with a great variety of individual booths and the patrons milling in sight-seeing circles. As a conclusion to the festivities, the crowd adjourned to Lappin Gymnasium and the main show, which was highlighted by the crowning of Lynn Noble, Miss Senior, as queen. Musical entertainment provided by the A Cappella Choir and the orchestra completed a very enjoyable evening.

Master of ceremonies, Joe Spieler, introduces the next part of the program.

JUNIORS STAGE FOOTBALL COMEDY

"Football Fever" was presented by the junior class on December 3, 1959.

When the football coach, Dave Emrick, went out of town, his daughter, Loretta Hitchcock, hosted a party for three of his star players. The coach, returning before he was expected, found his boys breaking training rules, so he told them not to dress for the big game the next day.

After the coach unwittingly took a knock-out pill, another daughter, Karen Vermillion, served as coach and she and the freshman substitute quarterback, Tod Roop, led the team on to an upset homecoming victory.

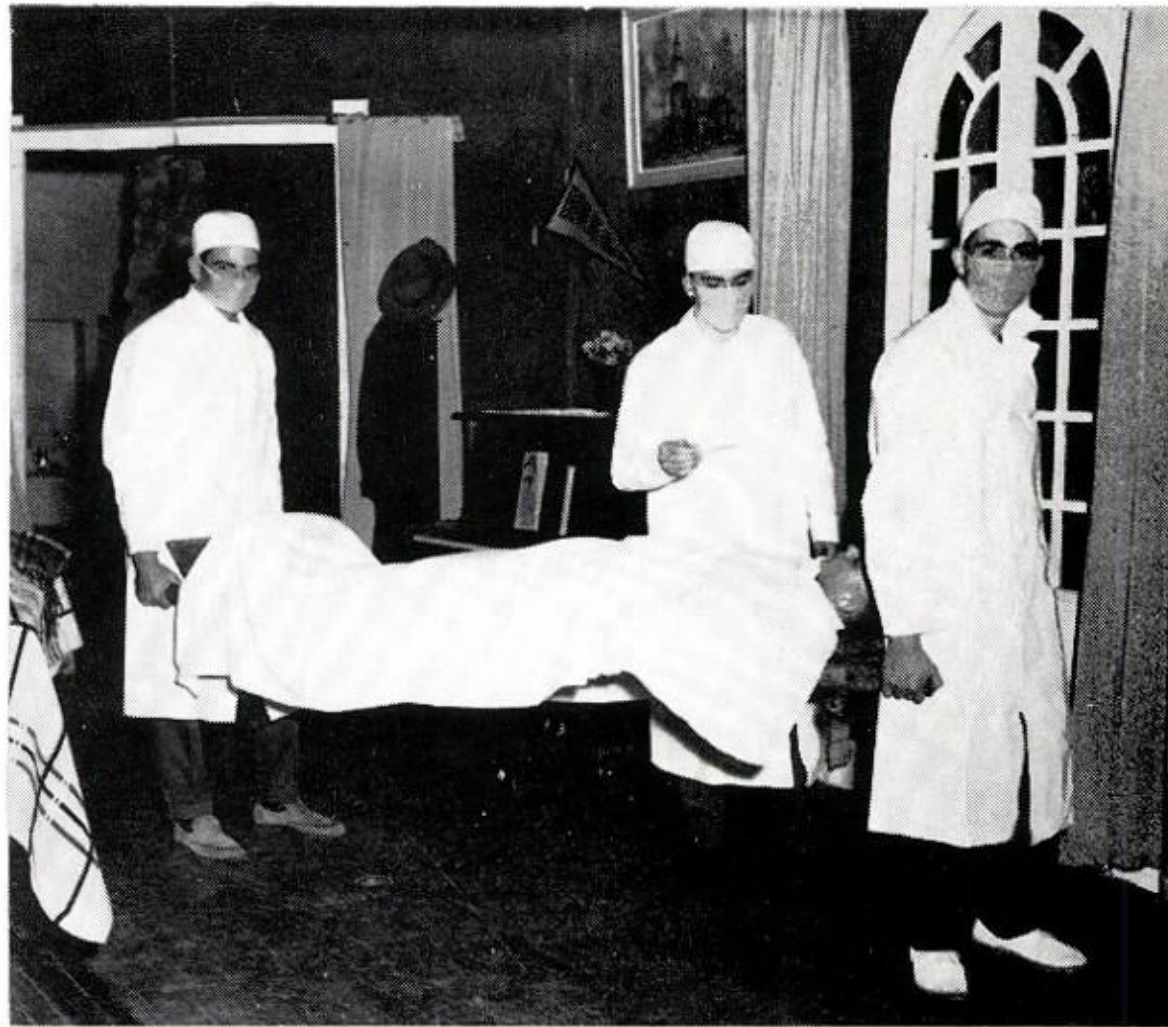

Those are pretty good ideas.

Student Senate Helps Train Leaders of Tomorrow

Having realized the need for training in citizenship and government, the Student Senate gave the opportunity for gaining experience, developing leadership, and rendering service to the school and community.

The Student Senate cooperated in the growth of better school spirit, improvement of student and faculty relations, and promotion of student participation.

The entire student body gained experience while selecting capable students to represent them through the 1959-60 year.

Quilna Staff Strives To Capture Memories

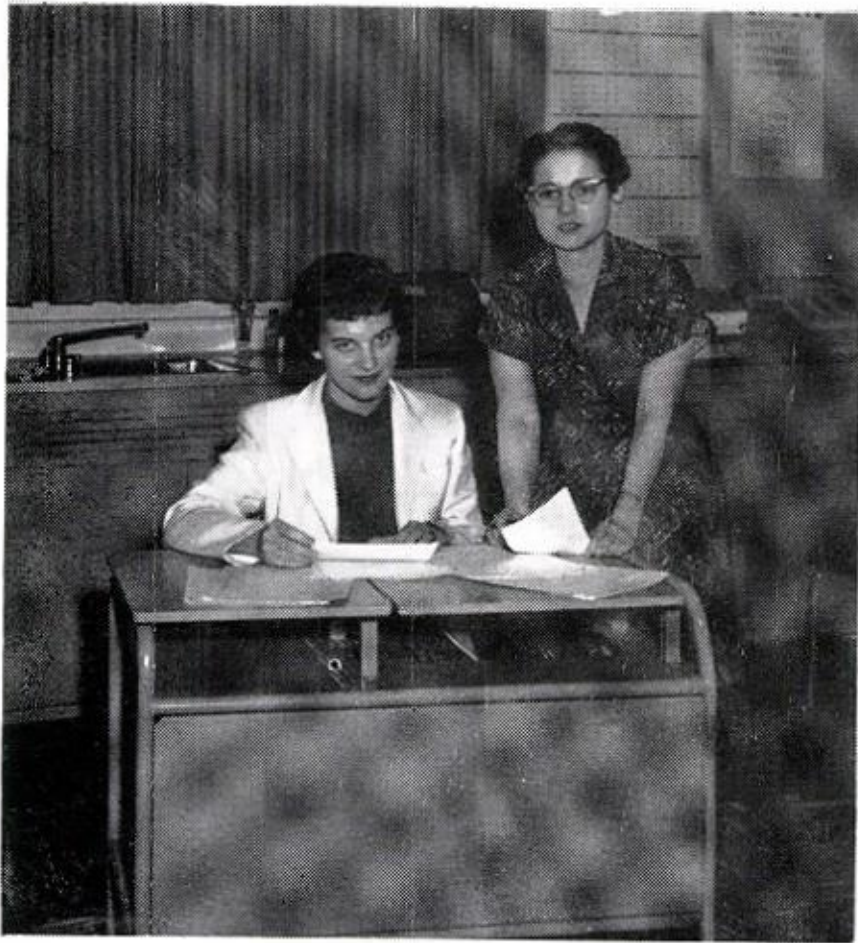

The editorial staff, guided by Mrs. Bright, worked at their best to publish a yearbook that would be worthy of Shawnee students. Efforts were made constantly to capture pictorially occasions, serious or amusing.

Guided by Miss Gorman, the business staff also labored faithfully to accomplish the task set before both staffs. In addition to the other work of their staff, they proved that advertisement pages scattered throughout the yearbook can be attractive.

Together they strove to publish the '59-'60 Quilna. In it they hope they have captured the occasions to which everyone will look back with happy memories.

Scrolling Pen Is Mightier Than The Sword

The combined efforts of these many students produced one of the best school papers ever. The product of these efforts not only gave to the school a fine periodical but also gave to the staff the knowledge and experience of journalism in their respective fields. The paper did not stress news only; it had many interesting features and parables not to mention the student polls which drew everyone's attention. The "Chief" was truly a paper of which we can be proud.

Homemakers of Tomorrow Develop Common Interest

Under the advisership of Mrs. Arnold and Miss Howenstine, the girls in Future Homemakers of America were not only entertained, but also guided toward a career of homemaking.

This '59-'60 school year was filled with numerous extra-special meetings. Careers of some of the guest speakers were hair stylist, hat stylist, model, and art teacher.

Another feature was the entertainment. The group went to an ice show and had a theater party, a talent night, and a party for seniors. The big affair of the school year was the banquet with the F.F.A. at which time various awards were given.

Truly Shawnee's homemakers of tomorrow strove for better living as they met in F. H. A.

Y-TEENS Promote World Fellowship

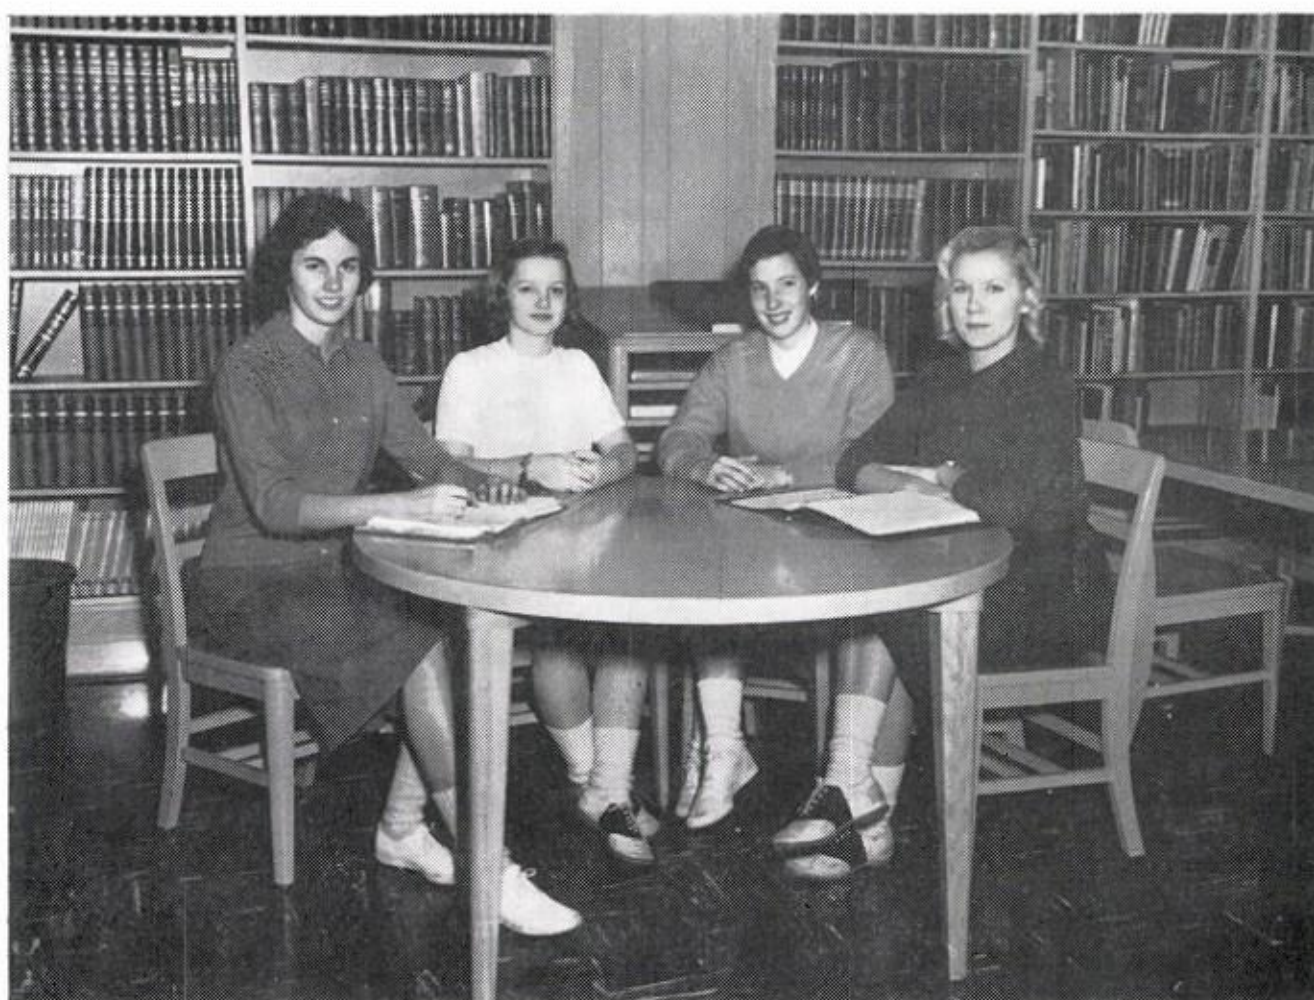

Y-Teens has been Shawnee's successful girls' service club since 1931. As a branch of the YWCA, they attempt to improve three things: minds, bodies, and souls. These three are represented by the sides of the Y-Teen emblem, the triangle.

The group undertook many projects such as sending new officers to Y-Teen summer conference, sending five girls to the United Nations, and sponsoring the annual Y-Teen Christmas Formal Dance.

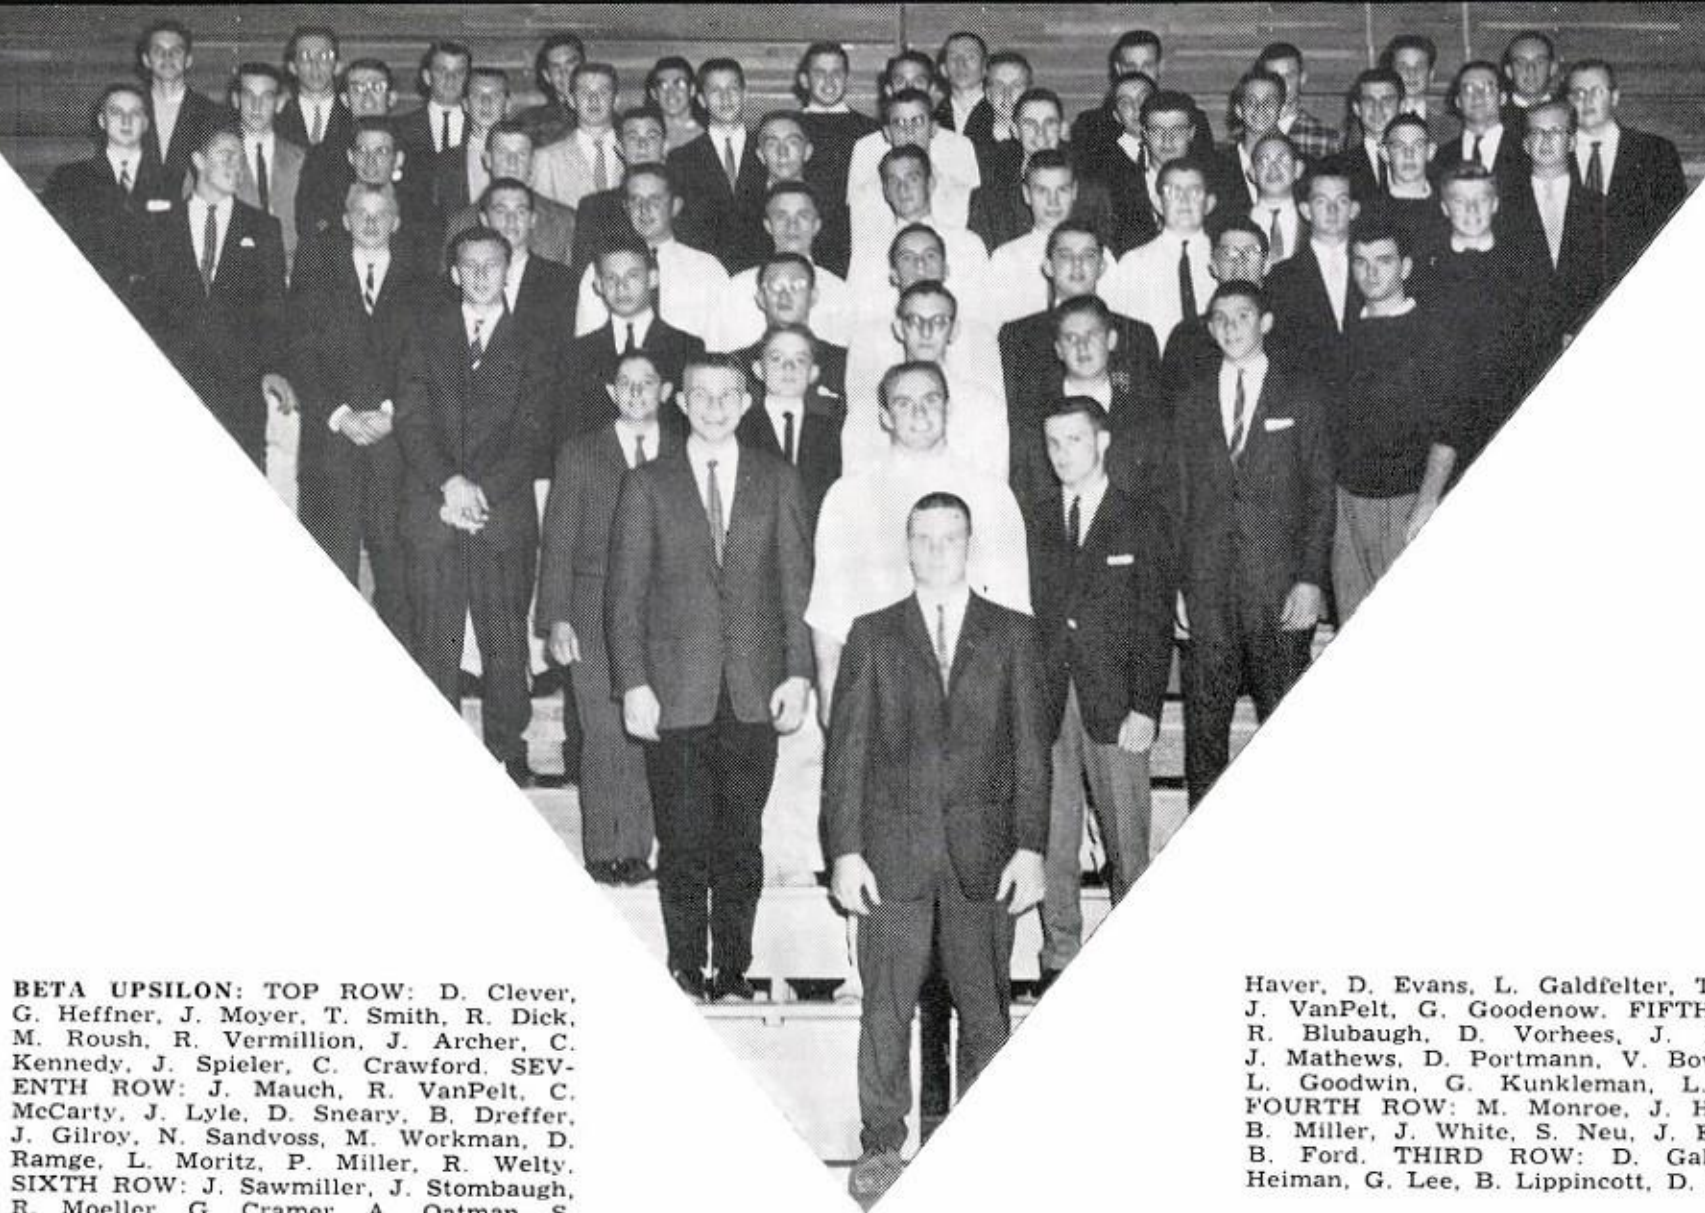

Featured in the monthly meetings were interesting programs including a puppet show, a rumor clinic, and a talent night.

The worship table displays the thought of each month's worship service.

HI-Y Has Opportunities For All Boys

As Christian leaders the Beta Upsilon Hi-Y, composed of juniors and seniors, and the Beta Pi Hi-Y, composed of freshmen and sophomores, again proved their worth as an organization in the school. Their benevolent deeds included an assembly program to emphasize the wrong in Halloween vandalism, voluntarily parking cars at athletic events, and helping to landscape the school in the spring.

Among their varied programs the talk by Mr. Shadrack, boys' work secretary at the local YMCA, on the history and ethics of the Hi-Y and one by Mr. Coats on the life of a West Pointer will remain long in the memory of the members. Many a thrilling basketball game was included among their activities, as well as dances at the Grange, hayrides in the moonlight, cake raffles at the varsity basketball games, and swimming and skating parties for informal athletics. Truly opportunities to develop well-rounded teenagers were offered by the Hi-Y this year.

Y.F.C. Joins Active School Clubs

The Youth for Christ Bible Club had its beginning in 1958 and became quite active this past school year. "Youth for Christ is an interdenominational group of high school and junior high school students banded together to promote: (1) spiritual growth through Bible study, (2) personal fellowship among the students, (3) high Christian living as a means of fighting juvenile delinquency, (4) interclub activity, and (5) loyalty to church and pastor."

Under the advisership of Mrs. Arnold, the members have spent an evening a week together. They have had various speakers, Bible games, and Bible studies; all intermingled with a Christian fellowship.

LIBRARY Creates Learning Atmosphere

Can't find a book? Looking for reference? Want to know how to use the card catalog? For this information and a lot more, ask one of the student librarians.

On the library's shelves may be found the latest in current fiction in addition to a variety of reference books, periodicals, and a wide selection of non-fiction books.

Students find the library assistants, trained by Mrs. Bright, very helpful. They keep the card catalog in good order, help in checking out books, see that the books are replaced on the shelves, as well as assist students in finding information.

The library opens the doors of knowledge to students as well as teachers.

Spanish Club grew in size and popularity this year bringing touches of Spanish culture to some who have never been outside the United States.

Spanish Club has increased from fifteen members in 1945 to over one-hundred fifty members this year.

Activities this year included an autumn hay-ride, dances for members and guests, and the annual trip to Hocking Valley at the end of the school year.

Programs at the meetings included films on customs and geography of our Spanish-speaking neighbors and lectures on Panama and Guatemala by Mr. Blauvelt and Mrs. O'Leary.

Doors of culture were opened again by El Club Espanol.

BAND Excels in Music and Marching

A review of the contributions of the Shawnee Indian Marching Band and its 59-60 season is enlightening.

The band began to practice in early August at which time all members attended band camp at Bluffton College.

Coming back full of vigor, they marched at eight football games and provided a pep band for all pep assemblies.

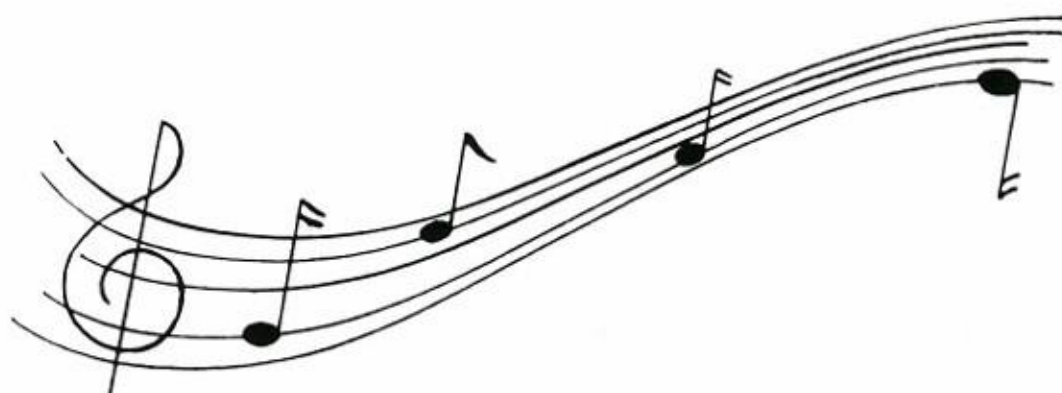

In more recent months the pep band played

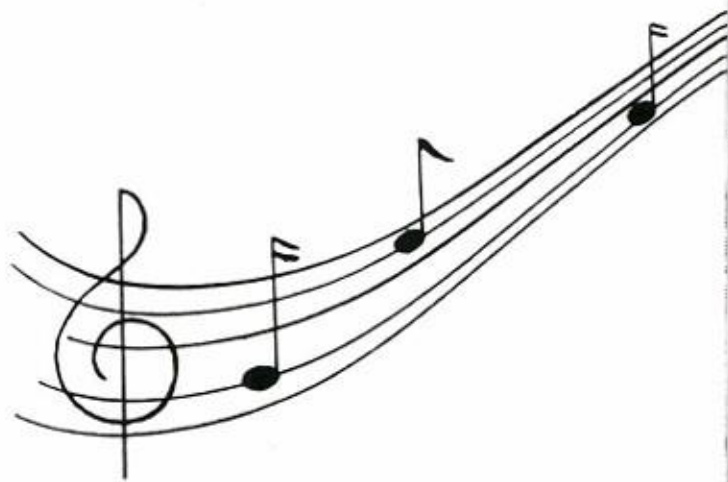

for all home basketball games, adding a certain extra sparkle to the games.

Two concerts were given in the latter half of the year. A concert in February provided us with an opportunity to hear flutist, Emil Ech. Another concert in the late Spring gave us another occasion to hear music at its best.

Band awards, well deserved, were presented in May.

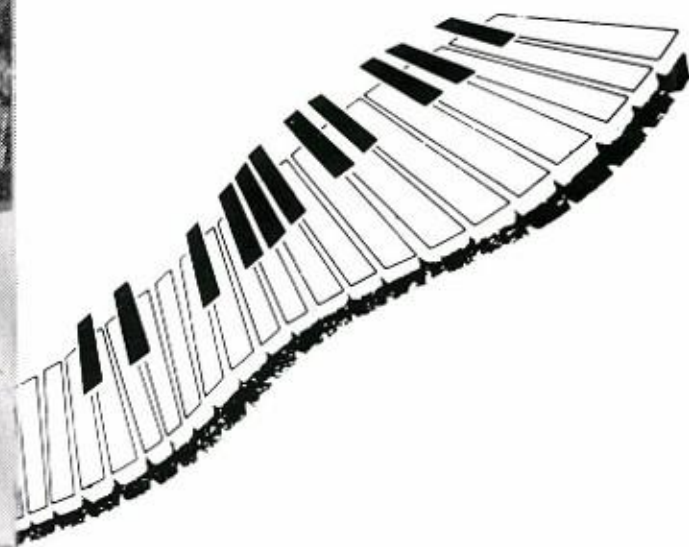

Our '59-'60 marching band opened still another door to a better future for Shawnee students.

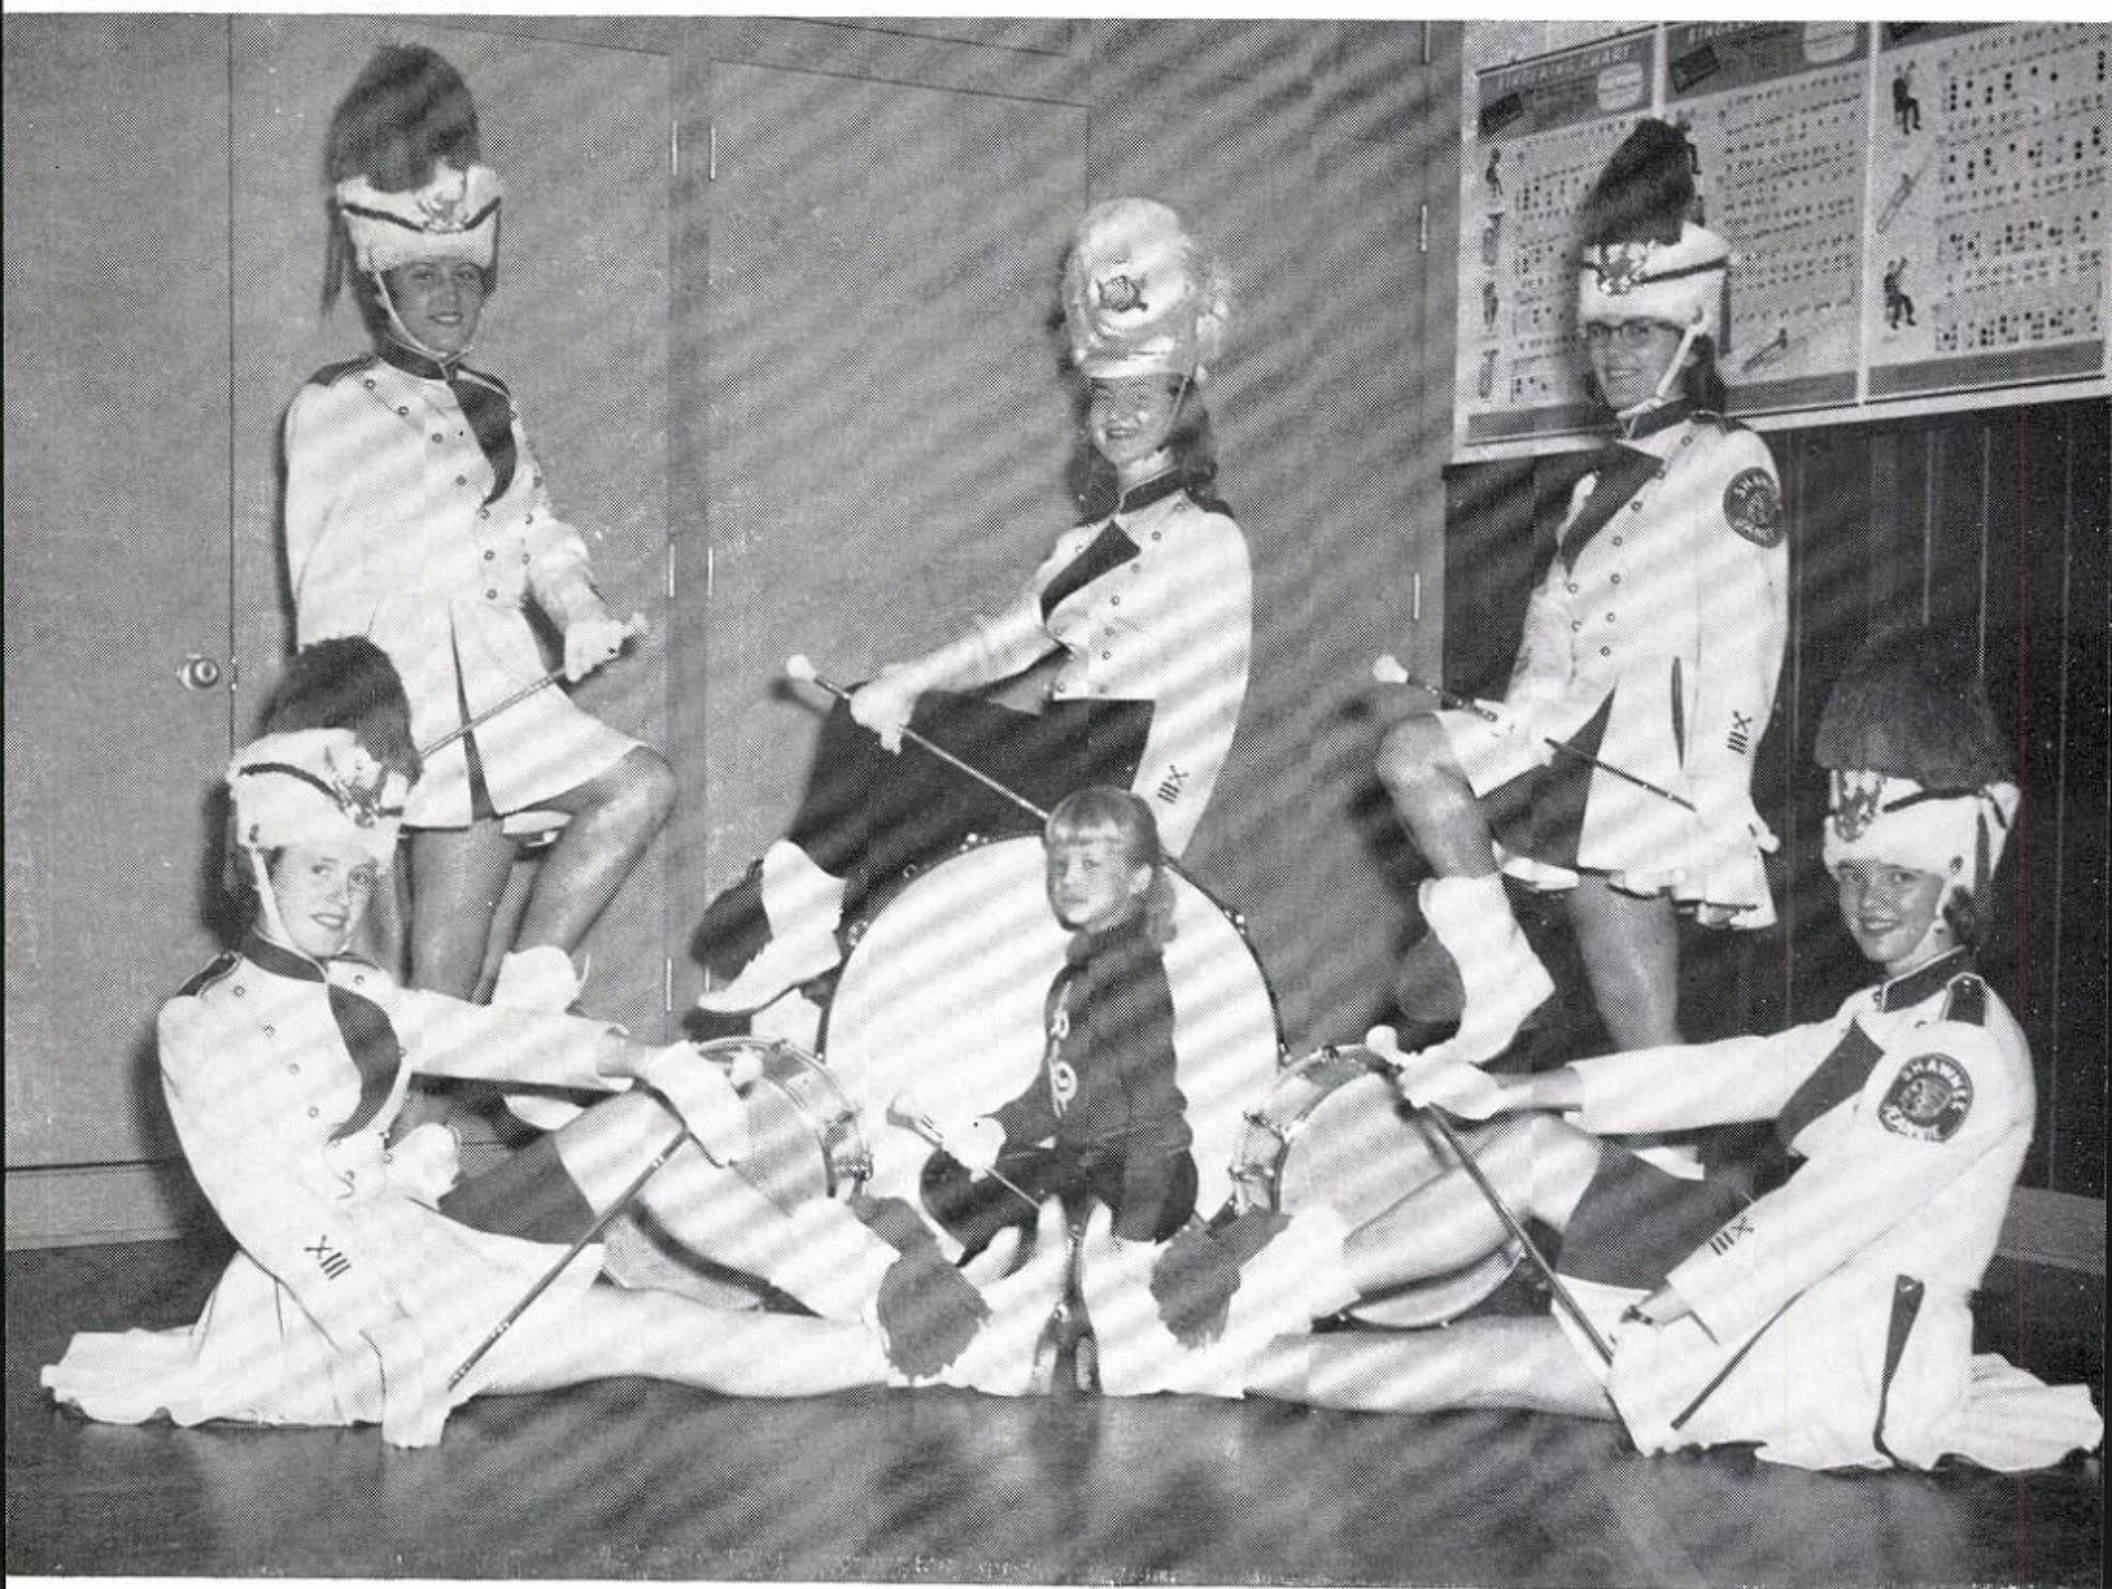

OFFICERS: STANDING: John Harmon, *Vice President*; Mr. Sonntag, *Director*; Jim Hurlburt, *President*; George Cramer, *Historian*. SEATED: Gloria Crow, *Treasurer*; Carol Evans, *Secretary*.

Having very ably led the band at all the games, the Majorettes concluded another successful year. Attending band camps in the summer apparently was a profitable experience for the group had many new ideas. Newly acquired Indian outfits, which they wore on several oc-

casions, were very becoming. They also adopted Miss Jani Lehman as mascot.

Under the capable leadership of Sharon Thomas, this attractive and talented group of Misses certainly kept in step.

STEPETTES

Performing under a new constitution this year, the Stepettes took another step toward making a name for themselves on the drill field. Under the directorship of Linda Dickerson and the advisership of Mrs. Robert Shackelford, the girls carried out a full program which included football games, the carnival, and parades.

Although a fairly new group, the Stepettes looked like professionals while entertaining the fans at the football half-time shows. Their many new and sharp drills were enhanced by their fine appearance. By practicing hard both before and after school, they presented programs well organized and in precision. It was a drill team of which to be genuinely proud.

A Cappella Choir has brought beauty in sound to all students of Shawnee since 1947, and this year was certainly no exception.

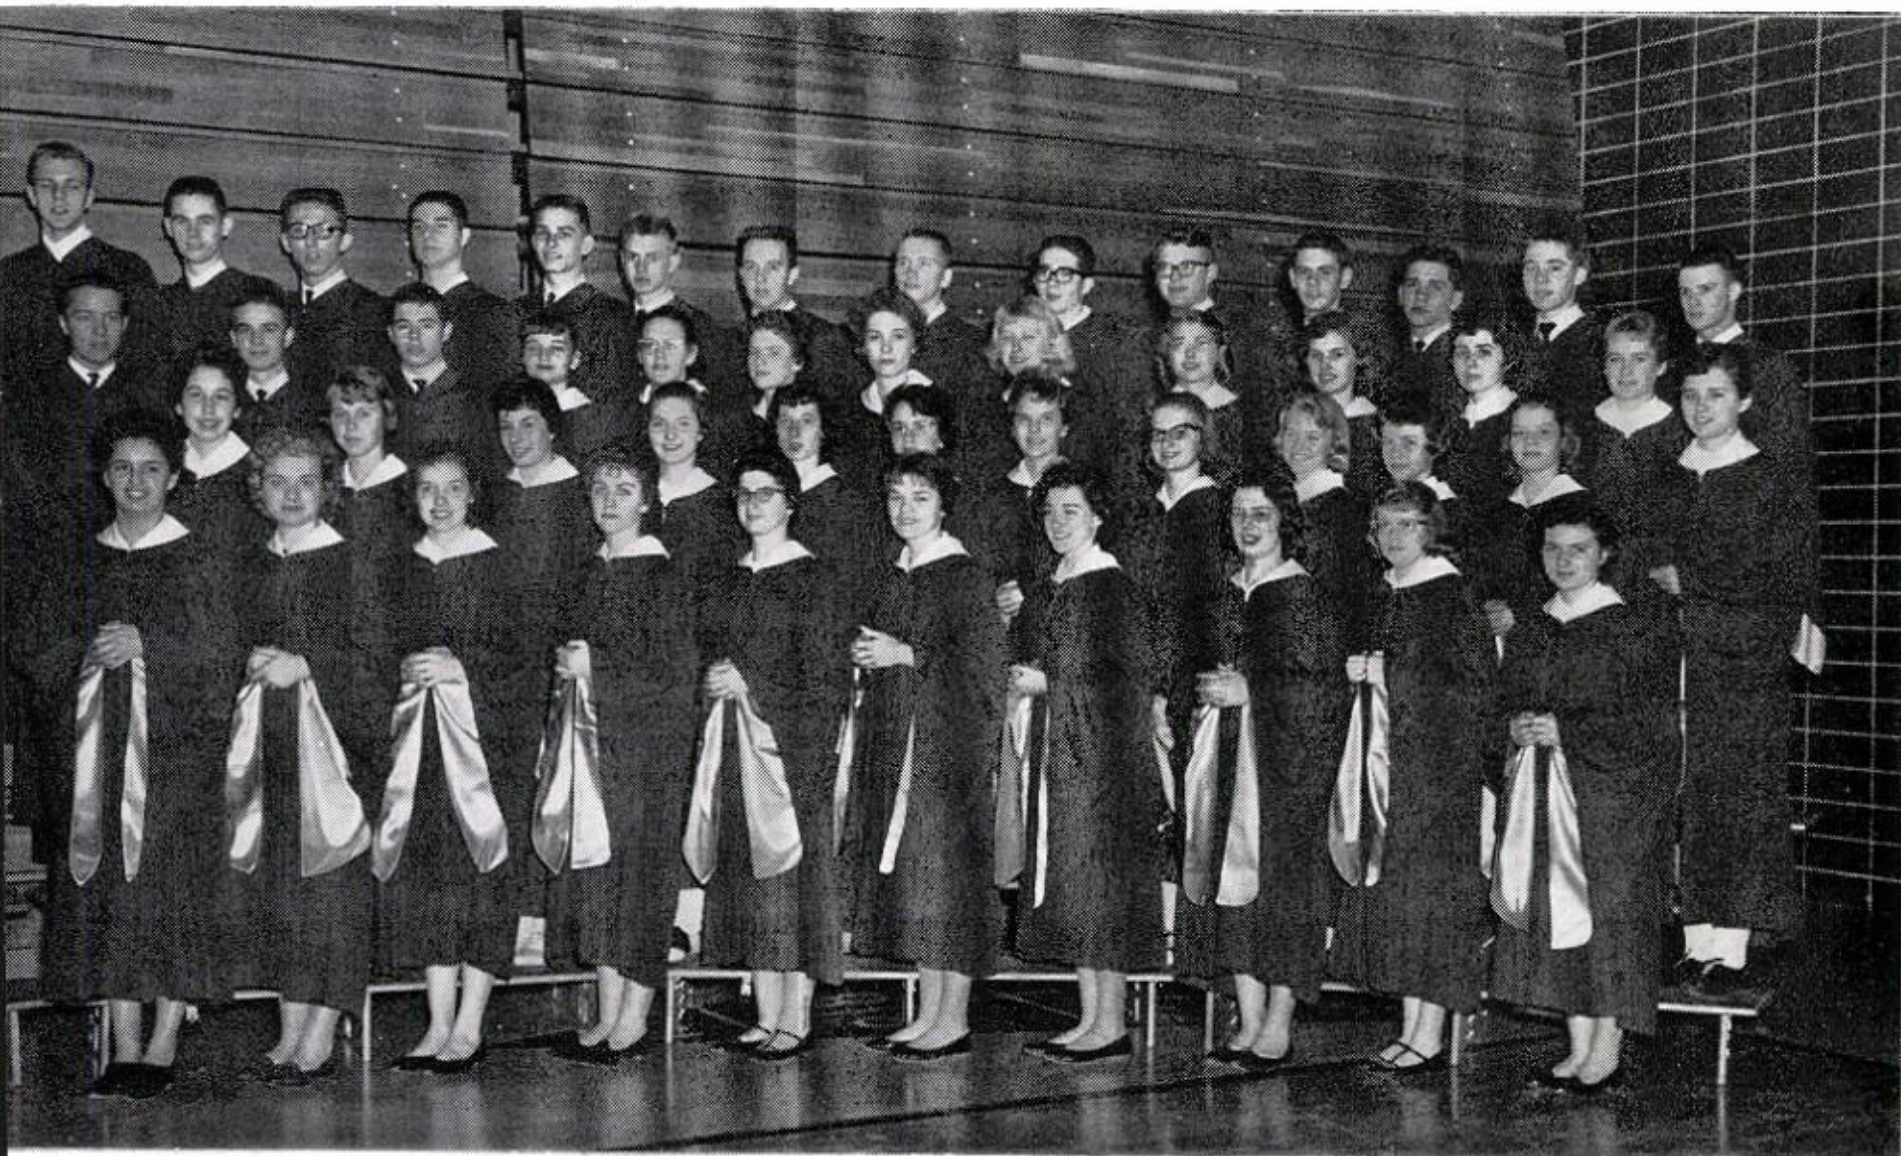

The choir presented a score of music from the Broadway musical "Guys and Dolls" for the Management Club, the Lions Club, and for the Carnival Main Show.

As Spring approached, attention was turned toward the sixth annual Spring Sing and the program for graduation.

This year the A Cappella Choir added another facet to its organization in the formation of the Dance Club. Eight girls formed the membership with Mimi Mitchell and Carole Ross as choreographers.

Soon after Christmas, the Choir made an appearance with the Lima Symphony Orchestra at Memorial Hall. This concert was taped and re-broadcast over the Voice of America.

The school year and our individual lives were made more enjoyable with the presentation of the A Cappella Choir.

The Industrial Arts Club has had another successful and eventful year. Most of the time was spent on projects such as photography, electronics, model car styling, construction of steam turbines, and construction of go-carts. Trips to

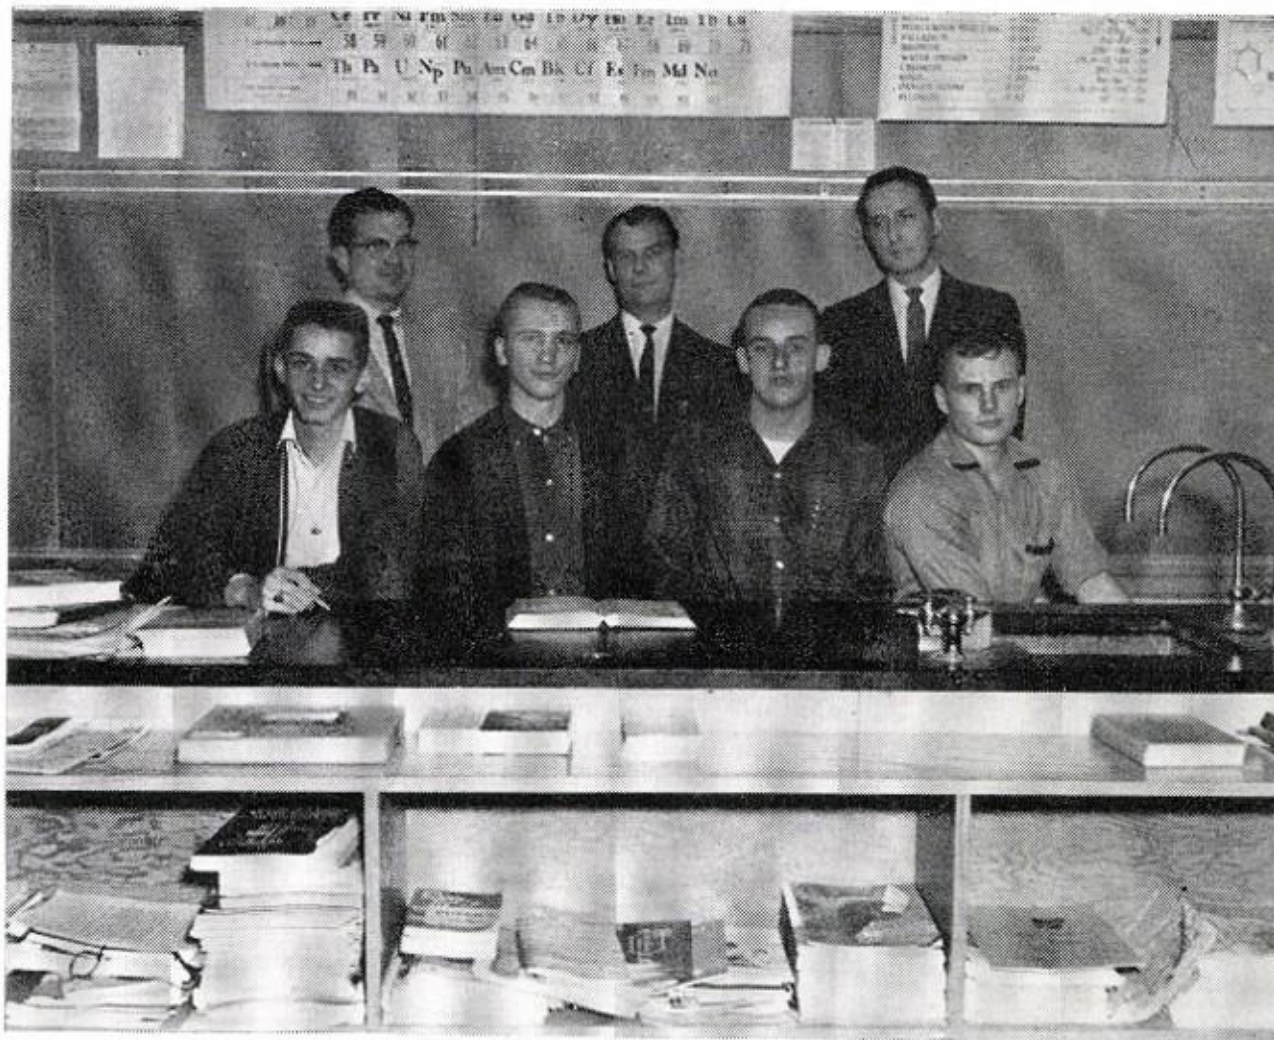

various industries, a talk on photography by Mr. Kimble, and a film on the development of car styles highlighted the year's program. Truly the Industrial Arts Club provided many educational opportunities for its members.

SCIENCE and MATH. . . . Keynote to the Future

The enthusiasm and spirit which initiated the year for the Mu Epsilon Pi Club carried the activities through a very interesting and educational year. The program topics were many and varied, having covered such subjects as calculus, thermodynamics, anthropology, topology, nu-

clear physics and chemistry, symbolic logic, and psychology. The feature speaker of the year was Mr. H. H. Lowry, who spoke on "Power Sources for Spaceships." Indeed the Mu Epsilon Pi Club had an outstanding year.

Opening the third quarter Shawnee allowed Van Wert to drive only four plays.

On two different drives the Indians threatened to score. In the first drive the Indians drove the one yard to the line of scrimmage. The ball was snapped to the quarterback and it appeared as if the Indians were at last on the offensive. But defensive players intercepted the ball and the Indians were forced to punt.

But, sophomore sensation Mike McMurray and Junior Terry Holman, running like a couple of scared short-pants boys in a briar patch, pumped adrenalin into a sagging St. Mary's offense in the last 14 minutes. They spearheaded a two touchdown flareup that

permitted the Indians to move the ball with only one play in the game. The Indians drove back to the line of scrimmage, thus starting their first Western Conference game, and first

The game's first play resulted in a 114 yard drive. The Indians were spearheaded by Nathan with 41 yards in 11 carries.

Outstanding in defeat was Van Wert's line-backer Dave Bowersock and Roger LaLonde. For Shawnee West, Nathan, Roger Vermillion and Greg Cleaves shone on defense.

The 1959 team had a successful season with a four wins, four losses, one tie record. The win over Van Wert made it an especially good season for the team and Coach Byerly. This was the last year for Coach Byerly as coach for Shawnee High and one he will remember.

Two of the fighting Indians were selected for All-League honors—Doug Fockler, an offensive guard, and Roger Vermillion, an offensive center. Both boys were picked for their exceptional performances during the season.

A big night in the Shawnee football season is the night that the Dads of the coaches, managers, cheerleaders, and football players are honored. This year it was November 6, a cold brisk night with snow. The Dads cheered their boys to a thrilling victory of 22-12 over St. Marys.

SHAWNEE TREKS TO MARION

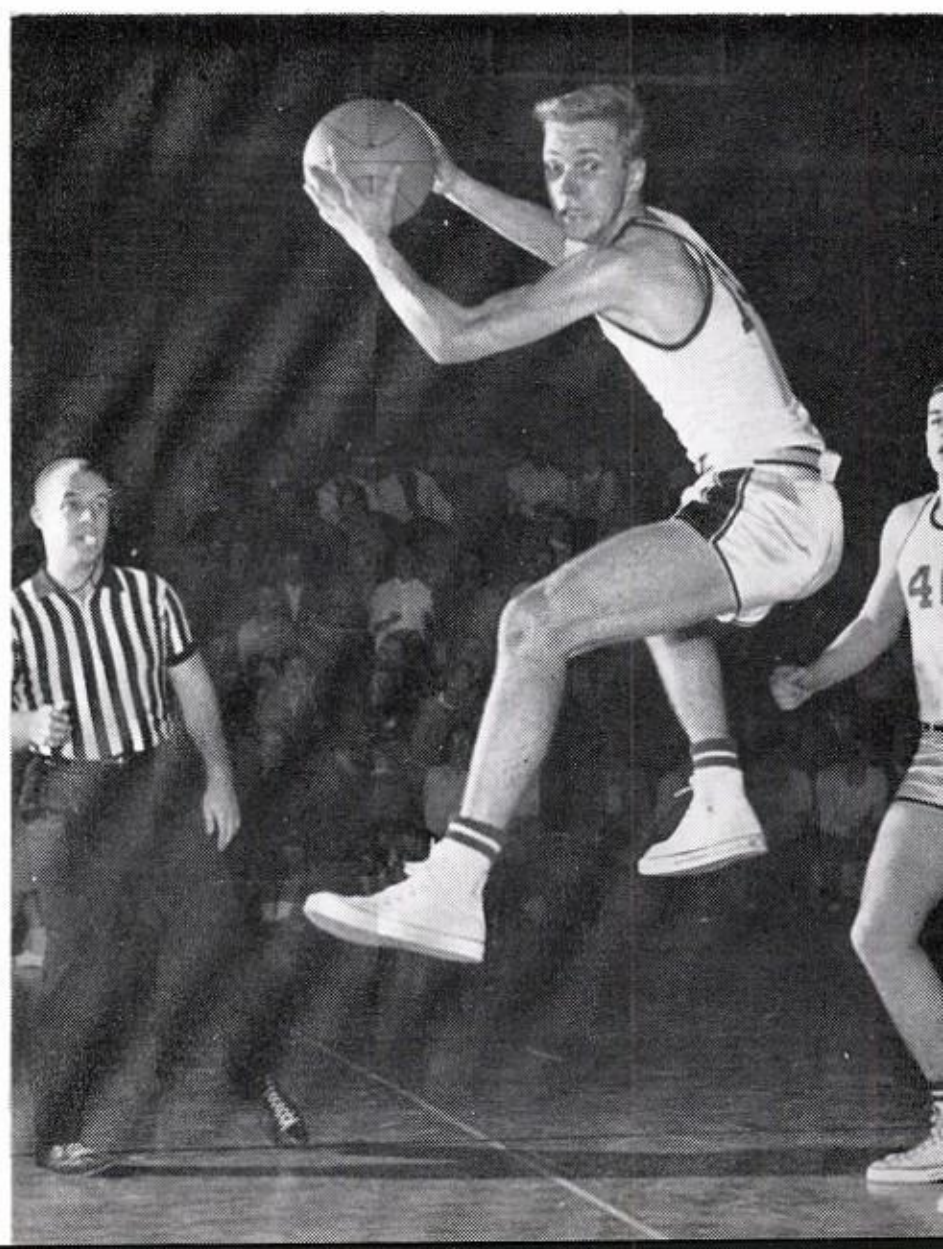

The varsity basketball team ended an up and down season with an eleven and ten record. They had a record of two wins and five losses in Western Buckeye League competition.

The first part of the season was very successful with the Indians winning four out of their first five games. Their only loss was the opening contest with Elida. The last half of the year was not quite as successful with the Indians losing close games to Kenton and Coldwater.

In the Class AA Sectional Tournament at Lima, things were a little different, with the Indians winning the close games. The victories included wins over Coldwater, Bath, and Kenton. At the District Tournament at Marion, the tribe lost to Mansfield.

Three Indians received special honors. Ken Waltz was chosen for the Western Buckeye all-league team. Ricky Dick was placed on the Western Buckeye League's second team and Bill West received honorable mention.

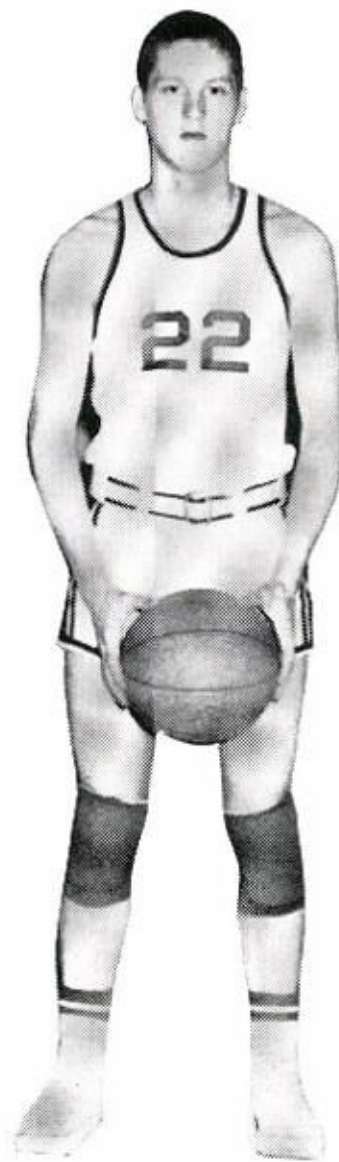

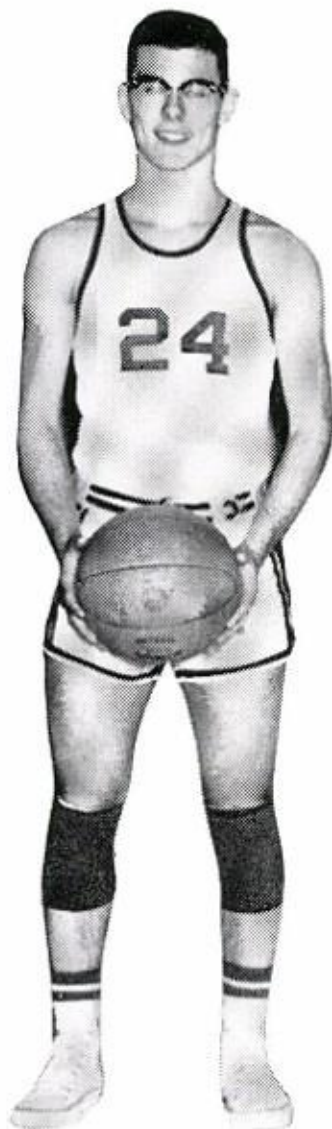

Ken Waltz hauls down another rebound.

RESERVES Make Future Varsity Promising

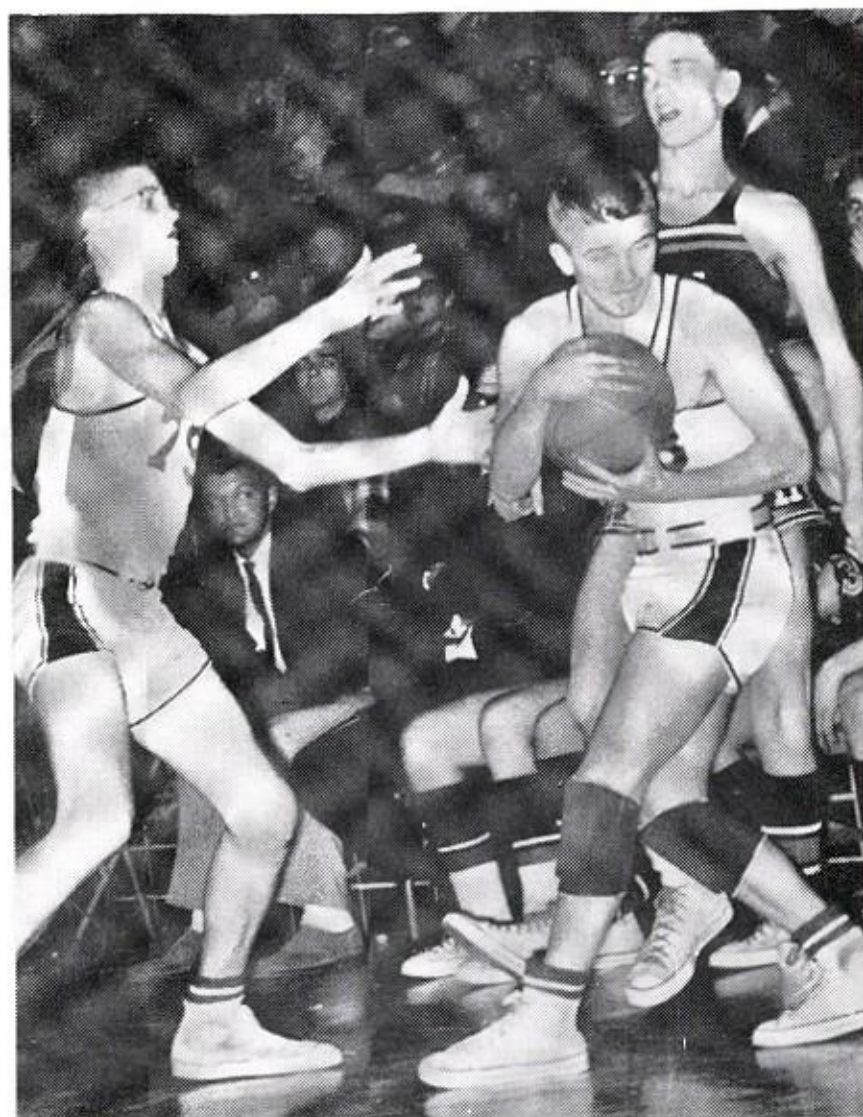

The reserve basketball squad finished their season with a very successful record of fifteen wins and four losses. They had a very good start, winning their first seven games before losing to Lima Senior High. In the Christmas tournament at Kenton, however, the reserve squad was beaten for the third year in a row by Upper Sandusky. They did come back in the afternoon to beat Ada.

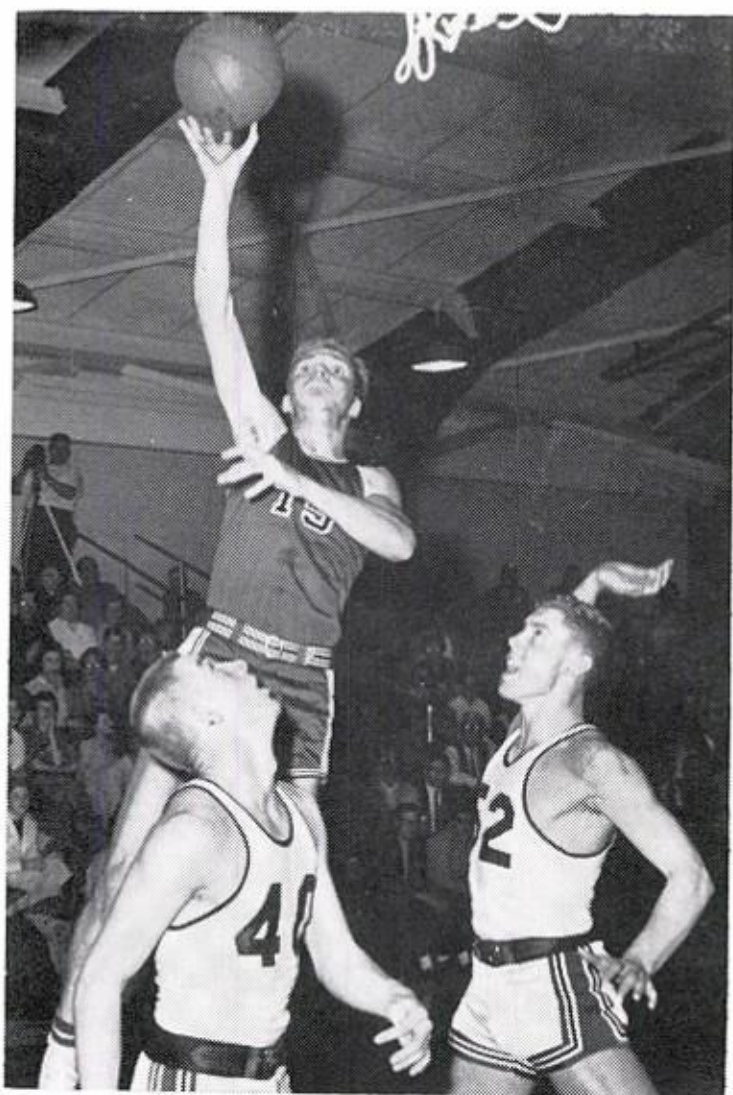

The Indian reserves lost only to Wapak in Western Buckeye League competition.

FRESHMEN . . . Western Buckeye League Champs

The freshman basketball team had a very fine season. They had an excellent record of ten wins and four losses. Their losses were to Lima South, Delphos, Lima Central, and Kenton. Over three of these teams — Delphos, Lima Central, and Kenton — Shawnee also posted wins.

In the freshman tournament held at Shawnee, the freshman team won the tournament by beating Wapak, Celina, and Kenton. As a result of winning this tournament, they were the Western Buckeye League champs.

GAA . . . PLOTS AN ACTIVE PROGRAM

The Girls' Athletic Association provides an opportunity for girls to participate in organized activities. In doing so, besides having a lot of fun, they are taught skill, technique, and good sportsmanship.

GAA includes many sports in its program, some of which are softball, basketball, volleyball, and archery. At the end of the year

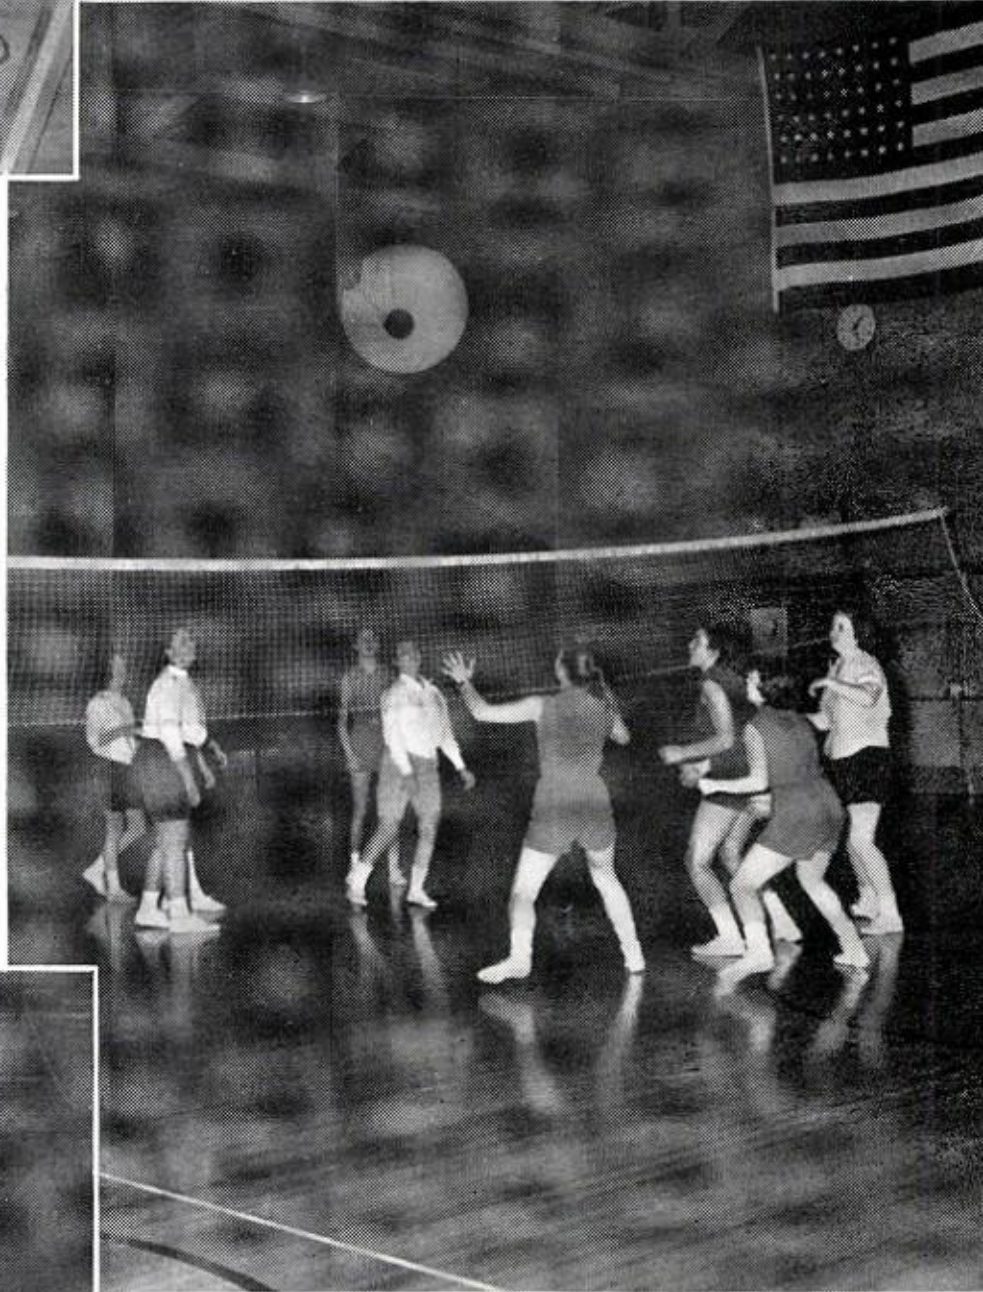

awards are presented to the winning girls in each sport. Awards based on the number of points earned are also given.

With capable leadership of the officers and adviser, Miss Reinhardt, and willing participation by the members, GAA rolled to a tremendous success.

GAA earns money by operating the football and basketball concession stands.

BACK ROW: Miss Reinhardt, Adviser; Nancy Brooks, President; Karen Shepard, Treasurer; Suzann Ritchie, Concession manager; Diane Shapter, Concession manager. It takes vim, vigor, and vitality.

CROSS COUNTRY Requires Both Endurance and Effort

Running from two to six miles at a time may not appear to be much. However, when one considers that the average distance from home to school is only half this, running to and from school four days of the week is quite a lot of leg work (it may be faster than the bus anyway).

To achieve membership in the Century Club, each man must run one hundred miles. Obviously to have been one of the three letter winners, three numeral winners, or eleven Century Club members, required much practice, endurance, and effort.

SHAWNEE . . . A DOOR OF OPPORTUNITY

Knock and the door will open to you. For it is always the one who asks who receives, and the one who searches who finds, and the one who knocks to whom the door opens.—Good-speed's Translation of the New Testament.

Softly the door has closed for the last time. Four years ago we were rushing to open wide the door as we began our exciting high school adventure. It all seems such a short time ago. We stop to reflect, to relive our memories. We realize that our participation in our fields of interest has opened doors of opportunity for us. Some doors lie unopened because we have failed to knock long enough or seek diligently enough. Behind some doors we have seen only a fleeting

glimpse. Many doors have swung wide for us because of our curiosity to know what lies behind the door.

Now we stand at the crossroads. Which way shall we go? Suddenly all of the doors that have opened to us seem symbolic of the many unopened doors behind which lie hidden treasures for us to seek to find. Now these visions gradually fade and the echoing memory of our high school years silently slips away.

The doors of Shawnee High School have closed to us, but the knowledge we have obtained is the golden key that will unlock the enchanted doors of our future.
